

# STEP BY STEP GUIDE: HOW TO MAKE A PLEDGE

Submitting a pledge is easy and can be completed in just a few simple steps.

## STEP 1 – GO TO [HTTPS://PLEDGEBALL.ORG/LTA](https://pledgeball.org/LTA) AND SEARCH FOR YOUR VENUE

### MAKE A DIFFERENCE

Daily, weekly, monthly and annually, millions of us gather together for the love of our sport, for the endless deuces, the great shots, the poor shots and the simply disastrous, to congratulate, to commiserate and to share conversations. Together, as the tennis community we can drive change to protect the sport that we love and the conditions we need to play it. This summer, we invite you, the fans and players, to join us in driving this change; making a pledge as a member of your tennis venue is one way you can participate. However big or small your actions, it will make a difference.

## HANDY TIPS!!

- You can make the same pledge each week that will count towards your club's victory over the opposition.
- Each pledge will only be counted once towards your club's standing in the league. To climb the league, you need new pledges and pledgers.
- If your team's fixtures do not appear, please [contact us](#). We use an API to feed in the fixtures and sometimes there are hiccups.
