

tennisgoat is a simple, affordable scheme - endorsed by the LTA - that allows juniors who are keen to improve their LTA ratings the opportunity to do so. tennisgoat's aim is to link players with the same rating who live fairly close together - a box league with home and away fixtures and approximately six weeks to complete their matches at a time convenient to their existing timetable. The beauty of this is that anyone who wants to play will get a place, which we know can be a problem in the winter months! In fact the more players the better it works.
