STRUCTURE

- Grade 1 (national) – AEGON Winter Grand Prix Masters
- Grade 2 (national) – Winter Grand Prix
- Grade 3 (regional) – Indoor Series
- Grade 4 (county) – County Tournaments

Competition for grades 1 – 4 is provided for the following age groups, 18&U, 16&U, 14&U, 12&U, 10&U and 9&U. Tournaments for 10&U and 9&U age groups do not count for rankings points. To find out which age group category you are in go to page 7.

Competition grades 1 – 4 are interlinking so that players have the opportunity to feed up from one level to the next. Allocated County Tournaments (grade 4) link through to specific Indoor Series tournaments (grade 3), which in turn link through to specific Grand Prix tournaments (grade 2). Information on these linking tournaments can be found on page 23.

LINKING TOURNAMENTS

Indoor Series (IS) tournaments link to Grand Prix (GP) tournaments, giving the winner of the Indoor Series tournament a guaranteed place in the linking Grand Prix qualifying event (main draw for 10&U and 9&U age groups). If the winner of a linking IS tournament enters and gets into the relevant GP tournament on their own right according to rating and ranking then the place will go to the IS runner-up. In the 9&U and 10&U age groups the IS runner-up will only be offered the link space if the IS winner does not accept it.

It is the responsibility of the IS winner/runner-up to enter the relevant GP tournament online by the advertised closing date. Please state - in the 'Player Response' box on the first page of online entry - that you are the winner/runner-up of an IS linking tournament and the code of that IS tournament. There are some exceptions to this, whereby the GP tournament would have closed for entries before the IS main draw has taken place, in which case the IS winner/runner-up must contact the GP Team (see page 38) to claim their place.

In the case that the IS runner-up also gets in on their own right then the space will go to the top reserve on the GP reserve list.

WHAT DO I NEED TO DO FROM START TO FINISH?

1. Enter the tournament online, via www2.lta.org.uk/Search/FindACompetition/, before the closing date (see Calendar for dates). Check that you have received an email confirming your entry into this tournament and also that your name appears on the entrant list for that tournament on the website. This shows that you have entered, not that you have been accepted.
2. Also check that your contact information in your BTM account details is up to date and correct as the tournament organisers will use the email address and telephone numbers that are held here.
3. After the closing date the acceptances will be published within 5 working days, you must check the entrant list to check your status (main draw, qualifying, reserve or not accepted). If you are in main draw you do not need to do anything until the week of the tournament.
4. If you are a qualifier please check your status regularly. If there is a withdrawal from main draw, the highest rated and ranked player in qualifying will move up to the main draw automatically (up until the withdrawal deadline for qualifying) and their status will change accordingly.
5. If you are a reserve you must regularly check the entrant list to monitor your progress up the reserve list. If you move to the top and a space becomes available you will move up to qualifying automatically (up until the withdrawal deadline for qualifying) and your status will change accordingly. It is your responsibility to check if you have moved into the draw. If you are no longer available for the tournament you **must** withdraw online before the withdrawal deadline.
6. Within the tournament details on the website you can view 'Tournament Information'. Please check this as it will give you information regarding court booking times and venue details.
7. On the qualifying withdrawal deadline date your entry will be taken if you are on the acceptance list for this event. The draw will be done by 5pm that same day so it is your responsibility to check the draw and your start time which will also be published on the draw. You will also receive a 'first match' email which you must acknowledge as per the instructions on the email.
8. If you are still on the reserve list for qualifying you could be called up until the morning of qualifying. If you are **not** available you must withdraw before the withdrawal deadline to avoid incurring penalty points. Reserves may decline an offer to play in the 24 hours immediately before an event without penalty (for grades 1-3).
9. The tournament organiser will hand over to the referee at 5pm on the Thursday for a weekend tournament, after this time all queries should be directed to the referee. His/her name and number will be supplied in your first match time email as well as the tournament information document via Competition Search.
10. After qualifying the main draw lists, including reserve list will be published and appear on the entrant list.
11. If you qualified check your name is on the entrant list. If you are a reserve check your reserve number and continue to check regularly your progress on the reserve list. Before the withdrawal deadline for the main draw the top reserve will move up automatically if a space becomes available and it is your responsibility to check if you have moved into the draw. If you are no longer available for the tournament you **must** withdraw by contacting the tournament organiser. Online withdrawal is no longer possible at this stage.
12. Within the tournament details on the website you can view 'Tournament Information'. Please check this as it will give you information regarding court booking times, referee details and venue details.
13. On the main draw withdrawal deadline date your entry fee will be taken if you are in the main draw. The draw will be done by 5pm that same day so it is your responsibility to check the draw and your start time which will also be published on the draw. You will also receive a 'first match' email which you must acknowledge as per the instructions on the email.
14. If you are still on the reserve list for main draw you could be called up until the morning of the event. If you are **not** available you must withdraw before the withdrawal deadline. Reserves should be available up to the beginning of the tournament however they may decline an offer to play in the 24 hours immediately before an event without penalty (for grades 1-3).
15. The tournament organiser will hand over to the referee at 5pm on the Thursday for a weekend tournament, after this time all queries should be directed to the referee. His/her contact number will be supplied in the first match time email and tournament information document.
16. After the main draw the results will be published to the website and the results will be loaded for ratings and rankings within 2 weeks of the end of the main draw.

FREQUENTLY ASKED QUESTIONS

Why can't I enter online?

You may be trying to enter too early or you may be trying to enter the qualifying or main draw event – you can only enter the 'player list'. Tournaments open for online entry one month before their closing dates. Or your entry may be blocked by the computer system because you are already entered into another tournament taking place over the same period. (see Entry Information point 5 in Rules & Regulations on page 31).

How do I find out if I have been accepted?

You can view the 'Entrant List' for each tournament at www2.lta.org.uk/Search/FindACompetition/. Once the closing date for entries has passed the acceptance list will be published in the same place on the website. It is your responsibility to check, within one week of the tournament closing date, whether you have been accepted into the main draw, qualifying draw or reserve list.

How do I find out what time the tournament is going to start?

Court booking times can be found in the Tournament Information document in the red box on the individual tournament page using the search www2.lta.org.uk/Search/FindACompetition/. Your first match time will be emailed 3 days before the tournament.

What do I do if having entered a tournament I am then asked to play for my county team, invited to a National Training Camp or to represent Great Britain?

If you are asked to play in any of these events before the closing date of a tournament you must decide which competition you are going to play, usually following discussion with your coach and/or the National Coach. You should then contact the relevant LTA organiser to withdraw. If you are asked to play after being accepted into a tournament you should immediately inform the person inviting you to play that you are already committed. The only exception is if you are asked to represent your country. In this case you should contact the LTA and inform them of the invitation, giving the name of the person who has invited you to play. In all other circumstances penalty points will apply.

What happens if the reserve list becomes exhausted or the tournament entry falls below the required numbers?

Prior to the event the LTA and/or tournament referee will do everything they can to fill the draw. If unsuccessful, tournaments will run with byes or use a different format. Provided it is known beforehand, players will be contacted and their arrival time amended accordingly. If the reserve list is exhausted, tournament referees may bring in players at the last minute into qualifying draws only, provided those players are eligible and of an appropriate playing standard.

How is the reserve list for main draw compiled?

Those players designated as reserves for main draw will be put in order of LTA rating and ranking, as at the date the qualifying draw was made.

Can I phone the LTA or referee to find out who I am playing?

No, but you will be able to see the draw online from 5pm on the Wednesday before the tournament.

What do I do if I get held up en route or involved in an accident?

You must **phone the tournament referee immediately** and give some indication of your time of arrival. If you do not do so your opponent may be given a walk over into the next round and you will be penalised.

What happens if someone withdraws from a tournament?

Reserve lists for tournaments are decided at the same time as the acceptances for each draw. If a player withdraws prior to the start of the event, where possible a reserve will be brought in to complete the draw. **Note:** No reserve will be brought in once the first round of matches in the

tournament is complete. Depending on when the player withdraws they may be subject to penalty points.

What do I do if I am ill or injured?

Up to 5pm on Thursday before the event a player must inform the LTA. Thereafter a player must inform the Referee (any exceptions to this will be indicated on the tournament information document for the tournament). If the withdrawal is after the withdrawal deadline that player will receive penalty points.

What if I qualify through to a main draw event then have to withdraw?

Players are not eligible to enter a tournament unless they are available for its duration ie. both qualifying and main draw. If a player becomes ill or injured and has to withdraw between the qualifying and main draw they will need to do so before Wednesday 9am prior to the main draw event to avoid receiving penalty points.

How do I know how many penalty points I have?

A player will be notified when he/she has accumulated a total of 8 penalty points.

How do I know my points have been halved?

Unless notified all players who submit a Withdrawal Form within 7 days of the tournament will have their points halved.

When will the suspension period start?

The suspension will not start before the third Monday following the last offence but may be delayed at the discretion of the LTA to ensure effectiveness. A player who competes in a Grand Prix or Indoor Series tournament during the suspension period will automatically incur a further 12 penalty points.

For how long will my penalty points be recorded?

The Penalty points System is based on points accumulated from LTA staged tournaments* over a rolling 12 month period. Any points allocated to a player will stay on their record for 12 months.

*LTA staged tournaments include AEGON British Junior National Championships, AEGON Grade 1 and Grade 2 Clay Court Tournaments, Winter Grand Prix/Masters, Winter Indoor Series and Winter County Tournaments.

RULES & REGULATIONS

1. All tournaments in the Winter Junior Indoor Circuit are staged by the LTA and will be conducted under the Rules of Tennis and LTA Tournament Regulations, including the Code of Conduct.
2. The LTA and Tournament Referee reserve the right to alter the format, programme and order of play at any time, to ensure suitable competition for players and ensure that each event is played to a conclusion.

ELIGIBILITY

3. All competitors must be a member of British Tennis Membership and have a current LTA rating.
4. Age groups for the Winter Indoor Circuit are determined by a player's age during **2010**.
 - 18&U (yellow ball) - players must be born 1992 - 1999
 - 16&U (yellow ball) - players must be born 1994 - 1999
 - 14&U (yellow ball) - players must be born 1996 - 1999
 - 12&U (yellow ball) - players must be born 1998 - 1999
 - 10&U (green ball) - players must be born 2000
 - 9&U (orange ball) - players must be born 2001 (2002 when you reach red 1)

ENTRY INFORMATION

5. In general a player may not submit online entries for 2 tournaments taking place over the same period. However there are exceptions: a player may enter more than one Indoor Series tournament or Indoor Series/Grand Prix taking place on overlapping dates **provided they are in different age groups**. eg. you may submit an entry for a 14U and a 16U tournament taking place over the same period.
6. If a player enters 2 Indoor Series tournaments (or Indoor Series/Grand Prix) and qualifies (in the qualifying event of the first one) for the main draw, that player is obliged to compete in that main draw and must withdraw from the other tournament before the withdrawal deadline.
7. If a player is entered into 2 Indoor Series tournaments (or Indoor Series/Grand Prix) and, having competed in the qualifying event of the first one, that player is placed on that tournament's main draw reserve list, the player must decide which tournament they wish to stay in and withdraw from one before the withdrawal deadline.
8. A player may not enter more than one Indoor Series tournament taking place over the same period **in the same age group**. eg. you cannot enter HIS207 and HIS208 because they take place on the same dates. The second entry will be blocked.
9. A player may not enter more than one Grade 4 Winter County Tournament taking place on the same days. eg. you cannot enter AVO981 and CHE986 because they both take place on the same day. The second entry will be blocked.
10. A player may not submit an online entry for a Grade 4 Winter County Tournament **and** an Indoor Series/Grand Prix Tournament taking place over the same period. eg. you cannot enter HIS617 and GLO965 because the dates overlap. The second entry will be blocked. However, the following exceptions apply:
 - a. Winter County Tournament organisers **may** accept late entries from players who have not been accepted into the Indoor Series and from players who fail to qualify for Indoor Series main draws which clash with WCT dates. These entries will **only** be accepted into tournaments which are short of entries and they must be appropriate in terms of ratings/rankings.
 - b. Winter County Tournament organisers may also accept entries into tournaments where Indoor Series and Winter County Tournament overlap but do not directly clash. eg you may enter HIS461 qualifying on 10 Jan and request an entry from the relevant WCT organiser into DER945 on 11 Jan.
11. The National Competitions Team/relevant Winter County Tournament organiser would like to hear about any player whose name appears on more than one entrant list in contravention of the above rules. Any player who disregards these rules may be barred from competing in all the overlapping tournaments which have been entered.

ACCEPTANCES

12. Acceptance lists will be published on the website www2.lta.org.uk/Search/FindACompetition/ as soon as possible after the closing date of each event and no later than 5 working days. Late

entries (ie after the closing date) will not be accepted unless the number of entries is below the number required to run the tournament.

13. For all tournaments please refer to the tournament information document on the LTA website at www2.lta.org.uk/Search/FindACompetition/ by putting in the relevant tournament code to ascertain the withdrawal deadline and the referee handover date.
14. All players must be available for the full duration of the tournament (ie both qualifying and main draw).

ENTRY FEES

15. Every competitor must provide credit/debit card details for payment of entry fees for all Winter Junior Indoor Circuit tournaments when entering online. Payment will be taken from the players who are in the draw after the withdrawal deadline on the Wednesday before the event. **No refund** will be given to players withdrawing after the withdrawal deadline. Any reserve called in after this point will have their payment taken using the card details provided for that tournament.

ACCEPTANCE CRITERIA

16. Selection for the winter circuit is based on a player's LTA rating and ranking as at the time of acceptance, 1-5 working days after the entry deadline.
17. In the Grand Prix qualifying (main draw for 10&U and 9&U tournaments) a number of places will be reserved for qualifiers from linked Indoor Series tournaments, who will be accepted regardless of rating and ranking.
18. In the Indoor Series qualifying (main draw for 10&U and 9&U tournaments) a number of places will be reserved for qualifiers from linked Winter County Tournaments. These WCT qualifiers will be accepted regardless of rating and ranking.
19. For the 12&U Grand Prix tournaments a player's place of residence will also be taken into consideration when deciding venues in order to minimise travel. However players must be prepared to travel if requested to do so. Every effort will be made to ensure an even distribution of standard (rating) between qualifying venues when the allocation is done for the 12&U Grand Prix Tournaments. The LTA cannot be held responsible for any changes after this point due to withdrawals
20. For 9U and 10U Indoor Series and Grand Prix tournaments acceptance will be done according to:
 1. qualifiers from linked tournaments
 2. age group Level 1 players
 3. recommendation from relevant Talent Management Team

SEEDING CRITERIA

21. Seeding shall be at the discretion of the LTA.
22. For the Indoor Series and Grand Prix Tournaments the LTA will consider a player's LTA rating & ranking within the age group of the event on the day the draw is made, i.e. these will be updated from when the acceptances were done (the reserve list order will not change as a result of updated ratings and rankings).
23. Talent & Performance Coordinators will be consulted about seeding for 10&U and 9&U events. The Grand Prix Masters will consider a combination of International ranking, LTA rating and LTA ranking.

WITHDRAWALS

24. Withdrawals should be done by the competitor online by logging on to their British Tennis Members' area (see page 27 for a step by step guide).
25. A competitor may not withdraw from a tournament or event after the specified deadline for withdrawals without incurring a penalty (LTA Regulation 7.4.1). The Penalty Points System and withdrawal form can be found on pages 34 & 35.
26. Penalty points will be halved upon receipt of an official LTA withdrawal form. The withdrawal form must be submitted within 7 days of the start of the event.
27. A player who withdraws from the reserve list after the withdrawal deadline will be subject to the same penalty points as a player in the draw. Reserves must make themselves available up to the beginning of the tournament; if they are not available they must withdraw from the reserve list before Wednesday 9am prior to the weekend tournament. Reserves may decline any offer to

play in the 24 hours immediately before the start of the event without penalty (applicable for grades 1-3).

28. If a player is accepted into the qualifying or main draw of a Winter Junior Indoor Circuit (WJIC) tournament and has entered another LTA sanctioned tournament (eg. week long school holiday tournament) which spans the period of the qualifying or main draw, that player must ascertain from the tournament Referee whether or not he/she will be needed on the days which clash with the WJIC tournament. That player must, if instructed to do so by the referee, withdraw from one of the tournaments before the withdrawal deadline.
29. A competitor may not withdraw from a tournament in which he/she has already played, in order to compete in another tournament, event or match.
30. If a player is placed on a reserve list and has entered another tournament in the same period, he/she must withdraw either from the reserve list or from the other tournament before the specified deadline for withdrawals, otherwise penalty points will be incurred.

WILD CARDS/TBA SPACES

31. Wild cards are only available for grade 1-2 national level competitions staged by the LTA. For application form and advice form please refer to the document that can be found in the 'Multi purpose resources' section within 'Competition' on the LTA website:
<http://www.lta.org.uk/Competition/Resources>.
32. No wild cards are available for Indoor Series tournaments. A TBA space will be reserved in main draw and qualifying events when the initial acceptance is made. This space will only be used in case of computer error. If this space is not used then the top player in qualifying (for the main draw TBA) and 1st reserve (for qualifying TBA) will move into this space on the Monday before a weekend event.

VENUE INFORMATION & ACCOMMODATION

33. For all events, players are required to arrange their own accommodation; accommodation lists and directions to tournament venues may be found on the LTA website in the 'resources section' within competitions.

CLOTHING

34. Competitors must wear recognised tennis clothing (which includes plain t-shirts), which may be coloured. Skirts must be worn over ball shorts during matches. Players are not permitted to wear ball shorts only. Advertising logos are restricted to the maximum laid in Appendix C of the LTA Tournament Regulations. Footwear must be clean for use on indoor courts and with non-marking soles.

ARRIVAL TIME

35. Players must be available to play up to 15 minutes before their scheduled time. If absent when called to play a player is liable to be defaulted.

COMPLAINTS

36. No complaint in connection with the tournaments can be entertained by the LTA unless lodged in writing with the Tournament Director within 48 hours of the occurrence of the cause of the complaint. (For details see LTA Tournament Regulation 3.9). Complaints with regards to Indoor Series Tournaments should be emailed to the relevant Tournament Organiser – see page 38. Complaints with regards to Grand Prix Tournaments should be emailed to
GrandPrix@LTA.org.uk.

ANY PLAYER CONTRAVENING THESE REGULATIONS IS LIABLE TO DISCIPLINARY ACTION BY THE LTA.

PENALTY POINTS SYSTEM

The penalty points system applies to players in the draw and those on the reserve list. This system applies to all LTA staged tournaments, including the AEGON British Junior National Championships, AEGON Clay Court Championships, Clay Court Tournaments, AEGON Winter Junior Masters, Grand Prix, Indoor Series and Grade 4 Winter County Tournaments.

The accumulation of 12 points from LTA staged tournaments in any 12 month period will result in a suspension of 2 weeks. The suspension will not start before the third Monday following the last offence but may be delayed at the discretion of the LTA to ensure effectiveness. At the end of the suspension period 12 points will be deducted from the player's penalty points total and the balance will be carried over.
