# HOW TO SET UP TOURNAMENT PLANNER TO WORK WITH GMAIL, HOTMAIL OR AOL

Please note, whilst this guide is written for Tournament Planner, the process is exactly the same for League Planner however the images have been taken from Tournament Planner.

1. Open TTP and select the Extra - Options tab on the top

2. Enter your email account settings as provided by your email provider. The email address settings for Gmail, Hotmail and AOL are given below.

Options	-					×	
General Player Names	Match Colors	Scheduling	Internet				1
