FOREWORD

Coaches and Officials are the lifeblood of our sports and play a key role to attract and retain people in the game. Our strategy aims to engage coaches and officials with world-class development and support opportunities, so they can achieve their own potential and deliver enjoyable on-court experiences for all, across coaching and competition.

Our Workforce Development Centre (WDC) network which is an evolution of the Coach Development Centre (CDC) network will play an integral role in our strategy by delivering quality Qualification and Continuous Professional Development opportunities in coaching and officiating across tennis and padel. This national network will provide local expertise and opportunities to thousands of coaches and officials each year, ensuring we can effectively grow and diversify these critical roles across every part of Great Britain.

Workforce Development Centres will share the LTA's vision of opening tennis up and transforming communities through tennis and padel.

This document provides prospective applicants with information on criteria, timelines and key details in order to submit a tender to join the LTA Workforce Development Centre network.

Our goal is to have inspirational coaches and officials growing our game. With this in mind, we encourage all potential coach education operators and centres to apply to partner with us, so together we can make this vision a reality.

Merlin van de Braam
Head of Coach & Official Development & Support

WORKFORCE DEVELOPMENT CENTRES: OVERVIEW

LTA Workforce Development Centres (WDCs) are partner training organisations that inspire the current and future workforce to deliver world-class coaching and competition.

The national network of WDCs will be put in place to ensure that every county and local area has dedicated provision of coach and official education.

The contractual agreements with WDCs grant an exclusive license to deliver LTA Qualifications and Continuous Professional Development workshops for coaches and officials. This suite of training products is referred to as the LTA Official Course Menu.

WDCs will be required to operate through a 'Hub & Satellite' venue network to maximise quality and local availability of coach and official education for their awarded jurisdiction. WDCs will also be required to deliver remote virtual education across a range of topics.

WORKFORCE DEVELOPMENT CENTRES: THE TENNIS / PADEL PROGRAMME

At the heart of a great WDC is a thriving programme that showcases best in class coaching and competition delivery across tennis and/or padel. WDCs will be organisations that lead or have close integration within a thriving programme.

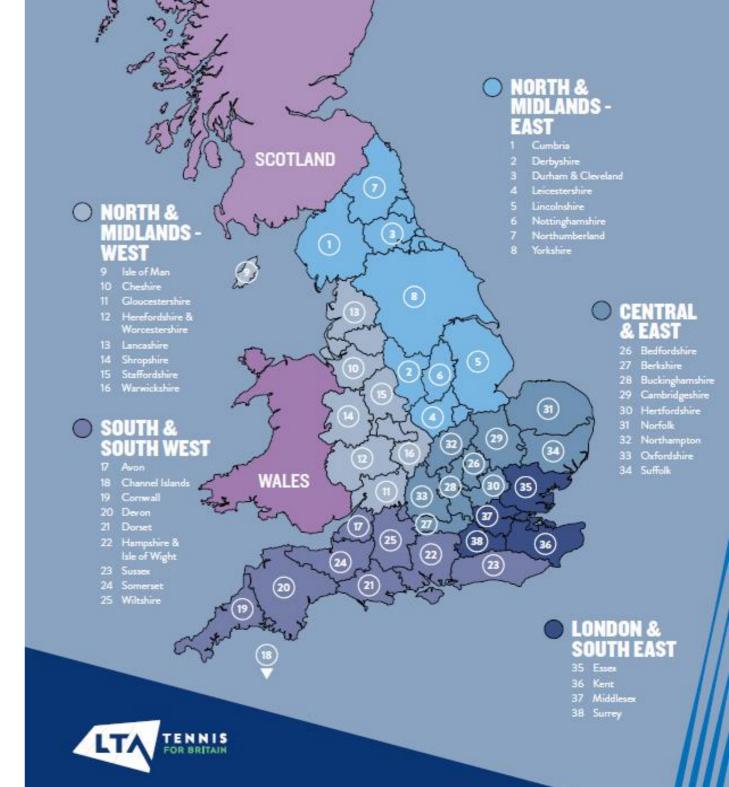

JURISDICTIONS OVERVIEW

JURISDICTIONS: AN OVERVIEW

The available jurisdictions are:

- 38 English counties are available to apply for.
- A 'jurisdiction' is comprised of a cluster of counties. WDCs can apply for clusters that contain three to seven counties*.
- WDCs can only apply for counties that are directly adjacent. This is to ensure that there is a coordinated national network that maximises local area expertise.
- For queries regarding delivery in devolved nations please contact the LTA Coach and Official Development & Support team

The number of accredited coaches in each county can be found on the final page.

JURISDICTIONS: GREATER LONDON

Greater London consists of London boroughs that fall within the following four tennis counties:

PARTNERSHIPS AN OVERVIEW

Contents:

- Partnership Agreement
- Financial Sustainability & Funding

PARTNERSHIP AGREEMENT

SUPPORT & EXPECTATIONS

The LTA want to provide genuine value to coach and official education businesses. In return, the LTA will expect centres to agree to best in class operational and education standards. A summary (non-exhaustive list) is provided below of what partnership expectations will be included in the contract between the LTA and an LTA Workforce Development Centre.

Advertising support

- LTA Workforce Development Centres will have exclusive rights and a requirement to advertise elements from the Official Course Menu (including qualifications, CPD, First Aid, Safeguarding training for coaches and officials) on LTA.org.uk.
- LTA Workforce Development Centres will have an obligation to promote courses and drive bookings through their own website, social media channels and non-digital avenues.

Content & Curriculum support

- The LTA will provide exclusive access to a menu of LTA qualifications and CPD for coaches and officials. This will include all content, resources, and tutor guides to deliver qualification products, as well as use of LTA Learn, the learning management system used by the LTA.
- The LTA will provide ongoing Tutor training and support via webinar, online study modules, and face-to-face events. Tutors who are engaged by WDCs will be required to attend these training events to ensure consistent standards nationally for delivery. A total of two face to face events will be required annually. Webinar and online commitment requirements will vary but will align with key educational updates to the curriculum.

Course licensing

WDCs will be required to pay a course license fee for some training products to the LTA. License fee costs will be outlined in the contract and
reviewed on an annual basis. Those license fees will be reinvested into ongoing qualification development to continuously meet the demands and
evolutions of the tennis and padel industries. License fees for Officiating training products will be reviewed in 2026 after a period of initial delivery,
to assess financial feasibility and viability.

PARTNERSHIP AGREEMENT

SUPPORT & EXPECTATIONS

LTA branded course assets, clothing & equipment

- WDCs will be required to use branded course assets for use on coach and official education delivery, specifically: roll up banners, courtside popups, event flags, and LTA branded barrier tape.
- Tutors will be required to wear clothing of the official LTA apparel sponsor while delivering LTA coach and official education.
- WDCs will be required to use specialist disability tennis kit and coaching equipment to support the delivery of LTA training products, including LTA Youth units.
- A launch pack will be provided free of charge for the above areas by the LTA.
- Further branded course assets, clothing, course equipment, or replacements (e.g. due to damage) within a contract cycle, will require centres to purchase items.
- LTA/WDC partner lockup logos should be used on any branded assets, WDC course signage and communications, e.g. outlook email banners

Adherence to operational and educational frameworks

- The LTA will provide guidance to WDCs through clear operational and educational requirements on how to deliver qualifications and CPD to ensure
 the learning environments are consistently high quality and welcoming. WDCs will be contractually required to follow these.
- WDCs should plan annual course calendars for their jurisdiction. WDCs should engage with counties to collate plans to service local training needs for coaches and officials.
- The LTA will operate an External Quality Assurance (EQA) process of unannounced visits, both face to face and desk-based, to work collaboratively with WDCs to maintain course operational and educational standards.

FINANCIAL SUSTAINABILITY & FUNDING

LTA Coach Qualifications (1-3) should be run as financially sustainable courses, and as such there will be no funding provided by the LTA for basic course operations. License fees for Officiating training products will be reviewed in 2026 after a period of initial delivery, to assess financial feasibility and viability.

Each year the LTA will look to drive strategic priorities in one or more of the following areas:

- Diversity of coaches
- Diversity of officials
- Tutor development

Any grant funding for strategic priorities (for example diversity and inclusion) will vary year to year and will be at the discretion of the LTA and its funding partners.

KEY CONSIDERATIONS

- ✓ Each organisation should review their own capacity and capability to deliver LTA qualifications and CPD based on their alignment and fit with the tender criteria, before making a decision to apply.
- ✓ Ensure you are able to meet the tender 'prerequisites' before beginning.
- ✓ Review the tender submission criteria. This will ensure you are aware of all the information that you will be required to submit. Once submissions open, we recommend preparing most of the information offline before transitioning to the online form, but please note that some of the information will be required to be evidenced via uploaded files and video.
- ✓ Where an organisation is submitting a tender, it must be able to demonstrate how it will get the commitment of the hub programme (if not owned by the applicant)
- ✓ If further support, information or clarification is required, please contact the Qualifications Administrator, Oshi Leverton: Oshi.Leverton@Ita.org.uk
