

VOLUNTEER ROLE – GRASS COURT SEASON 2026

Thank you for so much for enquiring about volunteering for the LTA Tennis Foundation during the Grass Court Season in 2026.

We are looking for enthusiastic volunteers who really want to make a difference to the LTA Tennis Foundation. Volunteers support is vital and allows us to have a real presence, as well as raise funds at the events.

The volunteer role details are stipulated below:

Fundraising promotion

As a charity, we look to raise funds to support our work. Throughout the Grass Court Season we have fundraising activities taking place and we would look for volunteers to support these opportunities, interacting with the public and providing them with an opportunity to take part. This will always be done with the support of members of the LTA Tennis Foundation and will take place both in our area at the events, but also roaming.

Activation support

This year we are excited to offer activations whereby the public can get involved in activities at the events. Volunteers, with the support of LTA TF members, will be responsible for ensuring the smooth running of these activities, taking payment from participants and supporting them to have an enjoyable experience.

Hospitality support

We will be running some fundraising opportunities within hospitality areas and a small number of volunteers may be required to support with the activities.

Further details:

- The typically volunteering day will run from 11am to 6pm (final times to be confirmed)
- All volunteering will be in pairs ensuring volunteers are supported throughout.
- Food and refreshments will be provided to all volunteers throughout the day.
