Introduction & Important Dates

Welcome to the Competition Pack for the LTA Seniors County Cup Event. It is hoped the following information will help answer any questions you may have about the Event.

LTA County Cup Events gives a player the opportunity of representing their county in a competitive team environment and the age groups range from 8U through to adult categories.

In October 2019, Seniors Tennis GB announced; 'as one of the measures the LTA is undertaking to provide greater support to seniors' tennis, which is run by the volunteers of Seniors Tennis GB, it has been decided the Inter-County events will, from 2020, be organised by the LTA Competitions Team as a consolidation of the stable of County Cup Events (with Julie Piper as Tournament Director)'. Both the LTA and Seniors Tennis GB welcomed this initiative.

Event Details –

The LTA Seniors County Cup Event is held in two stages – a Qualifying Event which is held from the Monday 3 April to Monday 2 October 2023 with the Finals being played the weekend of Friday 27 to Sunday 29 October 2023.

There are 8 Events per gender –

- Women – Over 40s, Over 50s, Over 55s, Over 60s, Over 65s, Over 70s, Over 75s and Over 80s
- Men – Over 45s, Over 50s, Over 55s, Over 60s, Over 65s, Over 70s, Over 75s and Over 80s

Counties entering the relevant age groups are placed in order according to the 2022 Event results. Wherever possible, counties have also been placed in groups as geographically close to one another so as to involve the least amount of travelling time for all the teams within that group and the knock-on effect of accommodation expenses. It should be noted, in some cases this has not always been possible.

The match format is played on a round-robin basis and varies from age group to age group. Please refer to the rules & regulations (Rule 3 – Match Format) for specific information for the relevant age group.

Each rubber shall be the best of three sets. The tie-break will apply at 6 games all in the first two sets. The 3rd set in all matches will consist of a Championship tie-break (to 10 points).

For any match, counties may nominate a minimum of 4 and a maximum of 5 players.

Teams are nominated in ITF (singles) World Tennis Number order.

Due to lack of entries, there will be **NO** National Finals for either the Men's or Ladies Over 80s Event. Instead, the Ladies will play on a 'home & away' basis during the course of the season. The Men will play on a league basis (5 matches each). The counties coming top of the respective Event will be deemed the County Champion.

1. Format of the Competition

Divisions shall be divided into two sections (A and B) which shall be rearranged annually by The LTA Competitions Team into geographical groupings where practicable to reduce travel costs (apart from Division 1).

Normally two teams from each division will be promoted and two teams from each division relegated, apart from Division 1 where there can be no promotions and the bottom division(s) where there can be no relegations.

The arrangement of divisions will depend on the number of counties entering the relevant age group.

The County winning Division 1A and 1B of each age category shall proceed to the Finals to determine the Champion County for the year within that age group.

Any county withdrawing or, (normally) entering a new team into an age group not previously entered, will be placed in the bottom group for the following year's Event.

2. Eligibility

Senior age qualification rules permit players to take part if they reach the minimum age at any time during the year in which the competition is played.

A player, if selected, is eligible to represent his/her County only in accordance with LTA Rules 66.

If a player moves to reside in another county, then one complete year must elapse before he/she may play a match for the new County, if selected.

All SCOs are responsible for verifying their players are eligible before nominating them to play in any representative match.

In any one year, no player may play in more than one age category for which he/she is eligible, but a player may play down once in a younger age group (per season). If he/she plays down more than once, he/she will forfeit his/her rubbers in any second or subsequent match. The exceptions to this are the men's & women's Over 75 & 80s where a player may play down in the women's and men's over 70s and 80s respectively to a maximum of twice.

A player who has played down once, may play down a second time in the Finals only. Where a player is nominated to play a match and their team receives a walkover this shall count as a qualifying match for nomination to the Finals but only for the team receiving the walkover.

Once a player has opted for a particular age category in his/her first fixture of the season, this will be deemed to be his/her elected age category unless made clear to the Event Director at countycup@lta.org.uk that this is the match/matches to be played in the younger age group.

Each rubber shall be the best of three sets. The tie-break will apply at 6 games all in the first two sets. The 3rd set in all matches will consist of a Championship Tie Break (to 10 points).

Under no circumstances should rubbers be conceded. Each match to be decided on number of rubbers won. However;

- (a) If rubbers are tied, the number of sets won will decide.
- (b) If sets are tied, the number of games won will decide.
- (c) If games are tied, the combined result of the first two rubbers will decide first rubbers, then sets, then games.
- (d) If a tie still prevails, then the result of the leading rubber, ie 1st pair v 1st pair, will decide.
- (e) If the first round of the match has been fully completed without concessions and inclement weather prevents the whole match from being completed, then a result can be obtained on the first round, first on rubbers, then sets, then games.
- (f) If a draw still results, then the match between the first pairs will decide

One point is allocated per rubber win and two points per match win and this will be reflected on the league table.

4. Composition of Teams

Team nominations open Monday 6 March 2023 and close Monday 2 October 2023.

All players, singles & doubles, must be an LTA Member. Singles players must be nominated in ITF (singles) World Tennis Number order

Match nominations, in ITF (singles) World Tennis Number order, must be submitted to the opposing Team Captain 30 mins before start of play on the first day. Equally ranked players may be nominated in any order but the nominated order must be maintained throughout the Event.

Counties should nominate a minimum of 4 and a maximum of 6 players per match. A sixth player may be introduced to play in the doubles rubbers in the second round as substitute for any player nominated to play in round one, but no player shall meet in round two a player who he/she met in round one.

Where the match comprises doubles only, a team comprises a minimum of 4 and a maximum of 5 players one substitution may be allowed in the second round.

If a player retires for any reason at any stage, he/she may take no further part in the match.

No player may play for more than one team during the Finals weekend.

5. Match Arrangements

Please note, until a match has been scheduled on the CMS you will NOT be able to submit any results, scores, names of players and the result will not count towards your league standing or an individual player's ITF WTN ranking

All matches must be arranged and entered on the Tournament Software site by Team Captains no later than **Wednesday 31 May 2023**.

On receipt of notification of Divisions and matches to be played, the home team will offer three dates for the fixture. The three dates must include dates over at least 2 different weekends and must be 8 clear days apart. Dates should not be offered during National Championships and World Championships unless agreed by both teams.

The onus is on both captains to ensure match arrangements are made promptly. No extensions of time will be granted beyond the end of the Competition – please ensure all matches have been played & completed and results entered by **Tuesday 3 October 2023**.

Once a match has been arranged, if a county then wants a rearrangement, they need to request a change, in writing (email), at least 10 days before the match is due. After that period it is at the discretion (goodwill) of the team if they want to offer a new date.

The matches will be managed, and all necessary arrangements made, by the County Associations concerned.

The home team will be responsible for providing a minimum of three new ITF approved tennis balls for each first round of rubbers, for arranging the date and venue of the match and for the hospitality.

Teams must be prepared to play on any surface of acceptable standard, under floodlights or on covered courts, as offered by the home team with the following exception; if the courts that are available are of more than one surface it will be the choice of the away team as to which surface should be used.

Unless agreed otherwise by both captains' matches should not start before 12.00pm (midday)

Team Officials are not allowed on court during the matches and no advice by any person is permitted during play.

Both captains must complete and sign the scorecards and retain their copy. The winning captain must then submit the result online within 48 hours and the losing captain is responsible for checking the entry.

Any query relating to results, nominations, player eligibility, etc. must be raised in writing to the LTA Competitions Team within 48 hours or it will not be considered.

6. Conduct and Completion of Matches

If players arrive more than 30 minutes late, then the first set of each rubber not started at the agreed starting time may be claimed by the opposition.

Players arriving more than one hour late, then each rubber scheduled to start at the agreed starting time may be claimed by the opposition.

Incomplete rubbers will be void, except in the case of illness or injury (details of which must be clearly recorded in the scorecard) when the retiring player shall lose the match but may record and games and sets won in that match prior to his/her retirement.

If a match is abandoned before completion of the first round, the match shall be replayed at the reverse venue with a new date and time being agreed mutually as per Rule 5.

A minimum of 12 hours' notice should be given by the home venue that no play is possible so the away team does not need to travel to that match. A new date and time shall be agreed mutually as per Rule 5 at the original venue. If a team has started their journey and play is not possible then the rearranged match will be at the reverse venue.

Counties should field complete teams for each match however in the event of exceptional circumstances (at the LTA Competition Teams discretion) where this is not possible, counties are to field an incomplete team, rather than concede the match.

7. Conceded Matches

Where a match is conceded, the Team Captain receiving the walkover must enter the "MATCH RESULT" online and not individual "rubber result (s)" as no player names are required.

In the event of a County conceding a match, they will incur 3 penalty points (-3) on the league table and the opposing county get a walkover win and 2 match points.

A County withdrawing from the league will give 2 match points to their remaining opponents.

Any County conceding two or more matches will be placed in the bottom division for their age group next year.

Any County conceding their last match of the season, if they consider the match to be a "dead rubber" or are already relegated, will be relegated to the bottom division particularly if this affects the league table.

Any county conceding a match or withdrawing from the Event must inform the LTA Competitions team via seniorcountycuporganiser@gmail.com. Failure to do so may result in that county not being allowed to enter a team into that age group the following year. (Please also refer to Rule 6 of the General Rules & Regulations for all County Cup Events).

8. Promotion/Relegation

The final order in each division in which all matches have been completed (or results have been reached in accordance with Rules 3) shall be determined by the number of matches won.

In a division where this applies but there are teams with an equal number of matches won and in a division where not all matches have been completed but the number of matches won by two or more teams is equal, the positions shall be determined by comparing:

- (a) Percentage of rubbers won to rubbers completed for each team. Should this still fail to determine the order, then
- (b) Result of the match between them or if more than two, then
- (c) Percentage of sets won to sets completed. If two teams are still tied, then
- (d) Match result, or if more than two, then
- (e) Percentage of games won to games completed. Should this still leave two teams tied, then
- (f) Result of the match between them

9. Separate rules for the Finals, as defined below, shall apply in addition to these Rules

To be eligible for the Finals, a player must have played in one County League match in his/her elected age group during the season and cannot play down a age group in the Finals.

A player who has played down once, may play down a second time in the Finals only. Where a player is nominated to play a match and their team receives a walkover this shall count as a qualifying match for nomination to the Finals but only for the team receiving the walkover.

In exceptional circumstances, The LTA Competitions Team has the authority to authorise a non-nominated player to play in the Final. The criteria that will be applied for eligibility for the Finals for players are:

- (a) Eligible for the age group
- (b) Has an LTA number
- (c) Has not represented the County in another age group this year other than in playing one match down
- (d) The ITF (singles) World Tennis Number of the player should be no higher than that of the singles players
- (e) Will only be permitted to play doubles
- (f) A competitor may play in only one age group Final

Counties can only nominate a maximum of 6 players for the Finals. **Nominations open Monday 2 October to Monday 16 October 2023.**

The LTA Competitions Team reserves the right to impose an appropriate penalty should any county fail to take its place with a full team at the scheduled time in the Final.

Each rubber will consist of two tiebreak sets and, if necessary, a third set of a championship tie break [to 10 points]. Matches must only be played to a result.
