PAUL HUTCHINS COMMITMENT AWARD in memory of Paul Hutchins MBE 1945-2019

Paul Hutchins was one of the most committed people to the game of tennis you could ever meet. Paul was a true hero of tennis in Britain, first as a player, then as a coach, captain, commentator and administrator – dedicating over 50 years of loyal service to the sport. He is also Britain's longest serving Davis Cup Captain. Paul was clearly committed to the game.

For anyone who didn't know and for those who will remember, Paul established the National League competition that we all love (formerly National Club League and Team Tennis), which has now become the biggest team competition in the country.

In memory of Paul, each year we will be awarding the 'Paul Hutchins Commitment Award' for someone who has shown real commitment to the National League Competition. This could be a player, team captain or league organiser. Paul clearly showed so much commitment and dedication to the sport, in many different capacities, inspiring so many people – and we would like to recognise this each year, and award someone who has shown some of the qualities Paul clearly showed so well throughout his life and career.

POINTS OF CONTACT

The following are the main points of contact for each team captain:

Internal

- **Club Coaches / Club Manager** – important for confirming players and court bookings for home matches.
- **Parents / Players** – to confirm player availability and selection.

External

- **Opposing Team Captains** – this person is your only point of contact before match day and on match day.
- **League Organiser** – your league organiser is the person to contact with any query not answered in this guide.

TEAM CAPTAIN CHECKLIST

- ✓ File all emails from your League Organiser somewhere safe and easy for you to access throughout the season.
- ✓ Look at the Fixture List from your League Organiser and book the courts for your home fixtures.
- ✓ Get in touch with your opposition (by email/text/whatsapp) and confirm your fixtures – this must be done 14 days before the fixture date!
- ✓ Having problems getting in touch with your opposition? Contact your league organiser as soon as you're concerned who can help you.

MATCH DAY HOSPITALITY

We are encouraging home teams to provide match day hospitality if possible, we have provided some examples below:

- **Youth League 8&U-18&U** – Cold drinks such as water, orange squash as well as snacks between and after matches. Snacks could include fruit, crisps and biscuits.
- **National League Open (adult)** – Options for cold or hot drinks should be offered to the away team during and after the match.
- **National League 12&U-18&U** – Cold drinks such as water and orange squash. Other options such as sandwiches plus crisps, chips or equivalent. Where food is provided, it is common place for home team players to pay a match fee of approx. £5 each.
- **National/Regional Open** – Options for cold or hot drinks during and after the match should be available for away teams. A post match meal (hot or cold) should be offered.

TIPS FOR SOLVING COURT ISSUES

- Look to play the fixture on 2 or 3 courts instead of 4.
- Stagger the start times of all fixtures at your club to allow for adequate court space.
- Look to play at another local venue or switch the home/away with your opposition.

TIPS FOR SOLVING PLAYER AVAILABILITY ISSUES

- Consider selecting eligible players who were not originally part of your squad list.
- Consider bringing in eligible players from younger age groups.
- Consider playing the match with fewer than 4 players. Teams can still win with 3 players.

Please contact your opposing captain before match day if you intend to do this.

HOW TO VIDEO

Adding a Match Result as a Team Captain.

HOW TO GUIDE

View details of a fixture before a match.

HOW TO ENTER A RESULTS VIDEO

- A 'How to Enter Results Video' is available for Team Captains to view in the Team Captains Resources Area at: www.lta.org.uk/compete/junior/national-league www.lta.org.uk/compete/adult/national-league
- We strongly recommend viewing this video if you are entering results for the first time or experience any problems. This video includes tips such as how to add players who are not on your team list.

UNKNOWN PLAYERS / ADDING PLAYERS TO YOUR VENUE

- All players must be linked to the venue they are competing for through the LTA database to be eligible. If a player is not linked they will not appear for online results entry.
- To check or update this, players need to log in to their LTA Members' area of the LTA website and update their 'Venues' within the 'Membership' tab.
- If a player cannot be found, the team captain must use the 'edit announcement' function to note the name and LTA number of the unknown player.
- You can view a short video which shows how players can add their venue to their LTA Profile. You can view the video [here](#).

MATCH DAY SITUATIONS

There are occasions where issues arise on court regarding line calls, scoring or player disagreements. We would like to remind all players, parents and captains of the LTA Fair Play values.

The policy for all fixtures is for the issue to be resolved directly between the players involved in the rubber. If the situation cannot be resolved between the players, the team captains only can get involved to help resolve the issue. In no situation should a spectator (player/parent/coach/club member) who is not playing in the rubber concerned be involved with any disagreement on court. Those individuals must communicate through their team captain only.

COACHING

Only team captains are allowed to communicate with players during matches. This must only be to communicate to players to resolve score disputes, line call disagreements or for general fixture logistics. In no situation should coaching take place between the player(s) and anybody off court, including the team captain. Parents and captains' are permitted to encourage their players but must not provide any form of instruction.

REPORTING ISSUES

If you wish to report an issue from your fixture, please contact your league organiser within 48 hours of the fixture explaining the situation.

MATCHES PLAYED WITHOUT A CHAIR UMPIRE

Youth & National League matches will be played without a Chair Umpire. All players should be aware of the following basic principles when playing a match in these circumstances:

- Each Player (or doubles team) is responsible for all calls on his/her own side of the net.
- All "out" and "fault" calls should be made promptly after the ball has bounced and loudly enough for the opponent(s) to hear.
- If in doubt, the Player must give the benefit of the doubt to the opponent(s).
- If a Player incorrectly calls a ball "out" and then realises that the ball was good, the point should be replayed unless it was a point winning shot or unless that Player made an incorrect "out" call earlier in the match. In these circumstances, the Player who called "out" loses the point.
- The server should call the score before each first serve, loudly enough for the opponent(s) to hear.

If a Player is unhappy with any actions or decisions, the player should speak to their team captain, who can then watch the match or speak to the opposing team captain.

In 8&U and 9&U fixtures scorers may be used. The role of the scorer is to call the score and check players are in the correct position to start points. The scorer must not be the family member of any player involved in the rubber.

SCORE DISPUTES

Scoring disputes are either a genuine mix up or a deliberate act. In both situations, team captains from both teams should use the same procedure:

1. Establish what each player thinks the score is. If the dispute is:
 - a. over the score in a game, work through the game, point by point
 - b. over the score in a set, go through the set game by game.
2. Establish which point(s) or game(s) the players cannot agree on. These point(s) or game(s) should be disregarded and the score adjusted to include the points or games they agree on.
3. Play resumes according to the new agreed score.
4. Following all disputes remind the players that the server should call the score clearly before every point.
5. For the purposes of the above, it is important both team captains have a presence courtside during matches.

ITF WORLD TENNIS NUMBER & RANKING

All matches in the LTA Youth & National League count for ITF World Tennis Number and rankings.

LTA Ranking points are awarded at Grade 1-5. Ranking points will be accumulated match on match for singles and doubles and a single event total for each will be awarded to players. The following shows the grading of each event for Youth & National League 2025:

OPEN (ADULT)

Grade 1 - National Open Finals

Grade 2 - National Open (Group & Play-offs)

Grade 3 - Regional Open

Grade 4 - County Open Division 1

Grade 5 - 8&U – 18&U Youth League
Division 2 onwards

SENIORS

Grade 3 - National Finals

Grade 4 - League stage

HOW MANY RANKING POINTS WILL I GET FOR WINNING A RUBBER?

Each age group has its own ranking points table for both individual and team competition.

The Team Competition Ranking Points Tables are available online at: www.LTA.org.uk/Rankings

Please note, ranking points for Youth & National League competitions will be accumulated match on match, and a single total awarded to players after the event. Exceptions; where competitions have 2 or more stages, ranking points will be accumulated per stage. E.g. A player competing in National League 12&U will be awarded a single total from the 'Group' stage, and if the team qualify to the 'Finals' will be awarded a single total from the 'Finals' stage.

WHEN WILL I SEE MY RANKING POINTS?

A player's accumulated ranking points total will be updated throughout the season. This is dependent on team captains' correctly inputting the rubber results on time. Ranking points will be awarded to players after the end of the competition (rankings run following the final competition rain date weekend on 12/13 July).

Team Eligibility

13.3 A venue may enter as many teams as it wishes in the competition but may have no more than 2 teams in any division of the National, Regional or County Tier. This rule applies to men and women separately.

13.4 Where a venue has two or more teams in the National and/or Regional Tier the top 4 rated players based on singles ITF World Tennis Number as of 23rd March 2025, may only play for team 'A'. Any other nominated players in the venue may play up or down in line with rule 13.5.

13.5 Where a venue has two or more teams in the Competition (County, Regional or National Tiers) a player may 'play up' on a maximum of one occasion without loss of eligibility for their lower team. Once a player has represented a higher team on more than one occasion, from that point onwards, they are no longer eligible to represent the lower team. In the case of a venue having two teams in the same division, players will only be able to play for the team they represent in their first match.

Player Eligibility

13.6 A player may only:

- I. Represent one venue in the Open (adult) age group in the National League Summer competition.
- II. Play in a maximum of three age groups (including Open).

13.7 All players must:

- I. Have an LTA Advantage Membership number which links to the venue they are competing for.
- II. Have an ITF World Tennis Number
- III. Be a member of the venue they are competing for as of 23rd March 2025 and commit to representing that venue.
- IV. Be born on or before 31 December 2011.

13.8 A venue with a team(s) in the County Tier, does not need to nominate players and can play players of any standard.

A venue with a team in the National or Regional Tier may nominate up to 15 players no later than 23.59 on 16 February 2025. No player nominations will be accepted after 23.59 on 16 February 2025. The following players must be nominated as part of this process:

Men's - Any player with an ITF World Tennis Number singles between 1.0-9.9

Women's - Any player with an ITF World Tennis Number singles between 1.0-14.9

Any venue failing to nominate by this deadline will not be allowed to field in their team(s) any players that should have been nominated. Venues with no players within the nomination criteria above do not need to nominate any players. Players that do not fall within the criteria above as of 16 February 2025 may play in any fixture and do not need to be nominated. For each additional team in the National/Regional Tier, up to a further 10 players may be nominated by the venue.

Of the nominated players a venue may include up to 2 players that have an ATP/WTN singles world ranking of 750 or better as of 16 February 2025 who have not played in at least 2 National League fixtures for the venue in the 2022, 2023 or 2024 seasons. This rule applies to men and women separately.

Any player not on the final published nomination list (that should be, based on the criteria above), for that venue, will not be eligible to represent the venue for the 2025 season. It is the team captain's responsibility to check their final nomination list once published on the LTA website. Any players nominated or who compete for a team, that subsequently withdrawals, will not be eligible to represent another team.

13.9 Play-offs

County Tier - Players must have represented their venue in at least 1 division match prior to the Playoffs or have a singles ITF World Tennis Number of 10.0-40.9 (Men's) and 15.0-40.9 (Women's) as of 16 February 2025.

Where less than 7 fixtures are played, for each fixture not played, teams are permitted to nominate 1 additional player who has represented the team in only one group match.

Where two teams compete in a division match and a player is given a walkover, the rubber will count towards a player's eligibility. All completed rubbers against a team which is subsequently withdrawn will stand for the purposes of player qualification to the Playoffs and/or Finals.

13.10 Team Walkovers during the season - An entire team walkover does not count for player eligibility. The only exception to this is, if after the first fixture date a team withdraws from a league, which therefore results in some teams playing a different number of fixtures and having the opportunity to qualify players for the next stages of the competition, if applicable. The LTA Competitions Team will have a process in place that would allow any teams that were yet to play against the withdrawn team to be entitled to nominate two additional players who were due to compete against the withdrawn team. The LTA Competitions Team will contact directly any teams effected and will confirm the process that team captains will need to follow. The LTA Competitions Team will carry out the relevant due diligence prior to confirming those players eligibility for the next stages of the competition, if applicable. The eligibility of the two additionally nominated players will only be applicable if some teams that qualify for the play-offs & finals have competed against the withdrawn team, and some haven't. If all qualifying teams haven't competed against the withdrawn team, then rule 13.9 only will apply.

A tie-break shoot-out shall consist of two singles tie breaks (to 10 points, with 2 clear) followed by a doubles tie-break (to 10 points, with 2 clear) if necessary. If a team is reduced to 3 players, that team must concede the doubles tie-break. If both teams are reduced to 3 players and the singles tie-breaks are shared, a deciding doubles tie-break (to 10 points, with 2 clear) shall be played between the remaining player and one of the singles shoot-out players. No substitutions or changes are permitted to the players who originally competed in the match. No player may play in more than one tie-break. Players are to be nominated as follows:

- IV. If more than 2 teams are level, the round robin rule in the LTA Competition Regulations will determine the league standings.

PROBLEM SOLVING ISSUES & REGULATIONS

(All age groups, all tiers)

16. Problem Solving Issues

16.1 Late Arrival

If any nominated player is not ready to play within 15 minutes of a rubber due on court, then the opposing team shall be awarded a walkover for this rubber (by a score of 6-0, 6-0). No substitutions or alteration to the nominations or playing order may be made. The player concerned shall be permitted to play a doubles rubber (and tie-break shoot-out) provided he/she is ready to play when the doubles rubber is due on court. If he/she is not ready when the doubles rubber is due on court the team will be deemed 'incomplete' and Rules 16.2 and 16.6 will apply.

In the event that the entire away team is going to be late for extenuating circumstances (e.g., motorway closure etc) and has contacted the home team in good time, a reasonable degree of flexibility on start time should be shown by the home team.

16.2 Incomplete Teams

If a venue is unable to field a complete team for the whole fixture, then they shall first forfeit the lowest singles rubber and the second doubles rubber, followed by the next lowest rubber and so on. Incomplete teams will begin the fixture with 3 rubber points deducted where one player is missing and 6 rubber points from their match score where two players are missing. For example, an incomplete team consisting of 3 players will begin on -3 rubber points and will play 3 singles and 1 doubles rubber only. If the incomplete team win 3 rubbers (+6 rubber points) and lose 1 rubber the overall match score will be 6-3 to the complete team. As such no tie-break shootout is to be played.

The complete team shall be deemed to have won the forfeited rubbers by a score of 6-0 6-0. Where one team is incomplete, the complete team may play any two of the nominated players as the No 1 doubles pair. When it is known before the match that one team is going to be incomplete, the lowest nominated singles player(s) of the opposing team does not have to be present for the fixture.

In the National/Regional Tiers of the competition, teams must fulfil a minimum of 2 players per fixture. Any team sending less than 2 players to a fixture will be subject to rule 16.5.

16.3 Player Retirement

If a player retires during a rubber, the opponent shall be deemed to have won all the remaining games and sets necessary to win the rubber. The player retiring from the rubber shall be eligible to compete in any remaining rubbers/tie-break shoot-out.

16.4 Completion of Matches (due to inclement weather)

If play is suspended after a match has started, then the match shall resume at the point of suspension.

If a match cannot be started due to rain or rain stops play before any rubbers have been completed, then the match may be rearranged on or before the rain date at the original venue as set by the League Organiser. New nominations may be submitted, and the match can be restarted. At the discretion of the league organiser, the home venue of a fixture may be reversed in the case of inclement weather and/or courts being unfit for play.

If a team has two matches rained off and schedules the first rained off match for the official rain date and cannot play the second rained off match prior to the rain date, then this second rained off match will be halved with both teams receiving 6 rubber points and 1 match point each. Where promotion/relegation is not affected, matches that are rained off on the agreed rain date will be halved with both teams receiving 6 rubber points and 1 match point each.

Where one or more rubbers have been completed, then the winner of the match shall be the team winning the greatest number of completed rubbers. 2 points shall be awarded for each completed rubber with any remaining points shared. For the purposes of final league placing calculations, the incomplete and unplayed rubbers shall be deemed shared by a score of 6-4, 4-6. Should each team have won an equal number of rubbers then each team shall receive 6 rubber points and 1 match point.

In any National Tier match, where fixtures are suspended, due to inclement weather, and after play has started the 'on call' referee must be contacted by both team captains, in advance of any players/teams leaving site and before the match has been postponed.

16.5 Team Withdrawal

County Tier -

In the event of a team being unable to fulfil a fixture, on the first occurrence, their opponents shall record 12 rubbers and 2 match points, at the discretion of the league organiser. Should the team not fulfil a second fixture, they shall take no further part in the

competition. Once a team has been withdrawn, they shall take no further part in the competition. All results against this team will be declared null and void for the purposes of determining the final placing in its group. However, the League Organiser shall have the power to consider a team's position regarding a team walkover with extenuating circumstances, in which case the team receiving the walkover will win all rubbers 6-0, 6-0, and will receive 12 rubber points and a match win.

League organisers may at their discretion allow a team to fulfil their remaining fixtures following a walkover. However, the team will be retired at the end of the league season and as such all results will not be counted in the final league standings calculation.

Premier & National/Regional Tier -

A team giving a walkover shall take no further part in the competition. All results against this team will be declared null and void for the purposes of determining the final placing in its group. However, the League Organiser shall have the power to consider a team's position regarding a team walkover with extenuating circumstances, in which case the team receiving the walkover will win all rubbers 6-0, 6-0, and will receive 12 rubber points and a match win.

In the National Tier (Open age group) a team withdrawing at the Finals may forfeit prize money and be relegated.

16.6 Playing out of order / Ineligible Player(s)

If players play out of order, then the singles rubbers involving those players shall be forfeited.

If an ineligible player competes then the singles rubber involving the player concerned, and all singles rubbers lower in the team order shall be forfeited. Any completed matches may stand for the purposes of ITF World Tennis Number and the match score must remain in place, however, the overall team score for that particular match will be awarded to the opposing team. In addition, that team shall have 3 rubber points deducted from their match score for each ineligible player.

If both teams field a player out of order or an ineligible player, then each team shall be deemed to have lost the singles rubber in a similar manner. Likewise, if a team fields an ineligible player as a doubles only player they shall forfeit that rubber. Where doubles pairings are not in line with Rule 6.7/9.7/12.7/15.7 that team shall forfeit both doubles rubbers.

In the event of a match result being overturned by the League Organiser after the match has been completed which then results in a score of 6 points each then both teams will be awarded a half win (1 match point each).

For 8&U/9&U/10&U/11&U age groups any forfeited/incomplete scores (as highlighted in rules 16.1-16.6) will be subject to the appropriate scoring format for that age group.

16.7 For those teams in the National and Regional tiers, if any disputes occur on the day during the fixture that can't be resolved using the above regulations, the 'on call' referee must be contacted to help resolve any disputes.

17. Regulations

17.1 All matches in the Competition shall be conducted in accordance with the ITF Rules of Tennis, the Rules and Regulations of the LTA, the LTA Competition Regulations, the LTA Code of Conduct and the National League Competition Regulations (in the event of any inconsistency, the National League Regulations shall prevail). Each player participating in the competition grants and assigns to the LTA the right to make, use and show from time to time and at its discretion, motion pictures, still pictures and live taped or filmed television and other reproduction of him/her during the event and in connection with the promotion of the event without compensation for him/herself. Such promotional activities by the LTA shall not be identified as or represented to be an endorsement by the player of any product/company.

17.2 The day-to-day organisation of the Competition shall be carried out by the League Organiser under the auspices of the LTA Competitions Team (CT). The Competition is sanctioned by the LTA under the management of the CT. The CT shall have the power to decide on matters of interpretation of these regulations, to impose penalties including, but not limited to, the deduction of points and suspension for breaches of these Regulations; to suspend or modify any of these Regulations in appropriate circumstances. The CT decision on all matters is final.

17.3 Any complaint/dispute shall be made in writing on email to the League Organiser (copying in nationalleague@LTA.org.uk) by the team captain within 48 hours of the complaint/dispute arising. Nevertheless, the League Organiser/CT shall have the power to consider any matter coming to their attention subsequently.

17.4 All players are subject to the Rules and Regulations of the LTA (including, without limitation, the LTA's Anti-Doping Programme, the Disciplinary and Dispute Resolution Procedures and the Regulations Concerning Match Fixing, Financial Speculation and Betting) and fully and unconditionally submit to the jurisdiction and authority of the LTA by competing in the Competition.

17.5 Where a LTA registered venue is suspended, the LTA Competitions Team shall determine if the venue shall play any further part in the current or further stages of the Competition.

SAFEGUARDING INFORMATION for Team Captains

Everyone who is involved in tennis has a shared responsibility to ensure that all children, young people and adults at risk are safeguarded from abuse and have an enjoyable tennis experience.

Traveling in a team with children (anyone under 18) requires careful consideration to help safeguard children and the adults in contact with them. Planning is therefore required to ensure risks are properly assessed and mitigated against. The LTA Safeguarding Guidelines for league matches is aimed at teams with children traveling for away matches and it provides a 'one stop' shop for organisers and supervisors accompanying the team to meet safeguarding standards.

A supervisor may be a coach, team captain or volunteer over 18. Supervisors should have completed as a minimum the LTA online safeguarding training but the preference will be to have completed a safeguarding course. At a league or county match, the hosting club is responsible for the safeguarding plan and risk assessment of the event they are running. The visiting club/county/school will be responsible for the safeguarding plan and risk assessment around their involvement in said event.

The guidance will assist in considering key issues, including:

- Ratios
- Transportation
- Insurance
- Accommodation
- Medical issues and emergencies
- Photography and social media
