TOURNAMENT FORMAT

Whilst some Grade 4 competitions are successful as weeklong competitions, the most successful competitions have adapted their format in recent years. You may wish to consider the following:

- Organisers have found that running all Red, Orange and Green events on the same day has proved successful, especially on a weekend.
- Where possible yellow ball events should be run over one day, targeting a maximum of 8 or 16 player draws.
- One day should be set aside for all doubles events.
- Organisers are encouraged to run a selection of age groups, e.g. 12U and 16U Girls or 14U and 18U Girls but not necessarily every age group to try and maximise entries.
- Running open singles and doubles events for both Men and Women are recommended. These events should be run at the weekend if possible.

11U events - Where possible, the draw format for 11U events should be either a Round Robin to Elimination or a Compass Draw. The minimum format for this age group is an elimination draw with first match consolation.
