VENUE REGISTRATION REGULATIONS

INTRODUCTION

1. These are the Venue Registration Regulations which govern the registration of and conditions applicable to any organisation that is a Registered Organisation and any venue that is a Registered Venue.
2. The Venue Registration Regulations are administered by the LTA.
3. This is an LTA Regulatory Document for the purposes of the LTA Disciplinary Code.
4. The Venue Registration Regulations apply to any application to be registered, or renewal of registration, of an organisation as a Registered Organisation. The Venue Registration Regulations also apply to any application to register a venue as a Registered Venue. By applying to be registered as a Registered Organisation an applicant organisation agrees to be bound by the Venue Registration Regulations both in respect of itself and its Registered Venue(s).
5. An applicant organisation will only be registered by the LTA as a Registered Organisation and a venue will only be registered by the LTA as a Registered Venue if all relevant eligibility criteria and other conditions have been met to the satisfaction of the LTA in its sole discretion and the applicable registration fee has been paid. Regulations 17 and 18 set out the options available to the LTA in relation to any application for registration, or renewal of registration, as a Registered Organisation and/or as a Registered Venue.
6. Each capitalised term in these Venue Registration Regulations will have the meaning given to it in Regulation 37 (Definitions) below.
7. In these Venue Registration Regulations, unless the context otherwise requires:
 - 7.1. words denoting any one gender include a reference to any other gender;
 - 7.2. words denoting the singular include the plural and vice versa, and (for the avoidance of any doubt) the terms “they”, “their” and “themselves” may, where the context so admits, refer to the singular rather than the plural;
 - 7.3. the word ‘days’ will mean calendar days unless specified otherwise;
 - 7.4. a note to a Regulation will be used to interpret that Regulation; and
 - 7.5. words following the terms ‘including’, ‘include’, ‘in particular’, ‘for example’ or similar expression will be construed as illustrative, will not be exhaustive and will not limit the sense of the words, description, definition, phrase or term preceding those terms.

ELIGIBILITY CRITERIA

8. An applicant organisation is eligible to apply to be registered (or to apply to renew its registration) as a Registered Organisation and to apply to register a venue (or to apply to renew such registration) as a Registered Venue if it (and it procures that the relevant venue) meets (at the point that the application is made and on an ongoing basis) at its own expense the following

eligibility criteria (and provides evidence which is satisfactory to the LTA, at its sole discretion, that they do so). For the avoidance of doubt, a venue will not be registered by the LTA unless the owner or operator of such venue is also a Registered Organisation or applies to be so at the same time.

8.1. the following Safeguarding Standards (which at the time of approval of these Venue Registration Regulations are as set out below but may be updated from time to time and full details are contained within the guidance available from <https://www.lta.org.uk/about-us/safeguarding/venue-standards/>) have been (and are continuing to be) complied with:

- a) Safeguarding Standard 1: safeguarding policies - have a set of clear safeguarding policies that have been implemented within the venue;
- b) Safeguarding Standard 2: safeguarding awareness - ensure that there is strong awareness within the venue of safeguarding, the requisite policies and how to report a concern;
- c) Safeguarding Standard 3: safeguarding culture - have a Welfare Officer who has undergone the necessary training, is engaged in their role and collaborates with others in the venue to embed a positive safeguarding culture;
- d) Safeguarding Standard 4: staff, coaches and volunteers - ensure that relevant roles within the venue have completed a satisfactory Criminal Record Check and that any coaches qualified to Level 2 or above are an Accredited Coach;
- e) Safeguarding Standard 5: procedure - ensure that safeguarding is embedded into the venue's operations and safeguarding risks are considered when running activities and events;

8.2. a Venue Main Contact has been appointed by the applicant organisation and such individual's contact details have been notified to LTA (or the relevant member of the LTA Group);

8.3. the relevant organisation has implemented a diversity and inclusion policy and such policy has been communicated to all users of the relevant venue;

8.4. the relevant venue is located in Great Britain, the Channel Islands or the Isle of Man and, except with the prior written consent of the LTA, the relevant applicant organisation is established or incorporated in Great Britain, the Channel Islands or the Isle of Man; and

8.5. the Good Conduct and Integrity Requirement.

9. Each application for registration (or for renewal of registration) as a Registered Organisation and/or Registered Venue will be assessed by the LTA's Club and County Support Team (or relevant replacement team) for and on behalf of the LTA in accordance with these Venue Registration Regulations and, in particular, the response to the application will be determined in accordance with Regulations 17 and 18.

RENEWAL OF REGISTRATION

10. It is the responsibility of the Registered Organisation to apply for renewal of its registration (and the registration of a Registered Venue) in a timely manner.

11. Where a Registered Organisation applies to renew its registration as a Registered Organisation and/or the registration of the relevant venue as a Registered Venue before the end of the current Registration Year, the new registration will run from the end of the current Registration Year, provided that a registration may not be renewed more than one month prior to the end of the current Registration Year unless otherwise permitted by the LTA.
12. If a Registered Organisation does not renew their registration (or the registration of the relevant Registered Venue) before the end of the Grace Period, their registration will immediately expire. In such situation an organisation is free to re-apply for registration at any time thereafter.

13. In addition to the eligibility requirements set out above, a Registered Organisation is required to comply with certain ongoing conditions (on behalf of itself and any relevant Registered Venue(s)).

- 15. It is the responsibility of each applicant organisation to ensure that all information provided to the LTA is up to date and accurate at the point of application so that the LTA may process their application to be registered (or renew their registration) as a Registered Organisation and/or to register (or renew the registration of) a Registered Venue. A failure to do so may delay the processing of the application and/or result in its refusal.
- 16. It is the responsibility of every Registered Organisation to ensure that the details held in its Venue Registration Portal are up to date at all times including ensuring that they update any changes to relevant contact details.
- 17. Where the application is for either registration or renewal of registration as a Registered Organisation or as a Registered Venue, the LTA will consider the application and the evidence provided to the LTA in support of the application in order to decide whether or not (a) all of the relevant eligibility criteria have been met in accordance with Regulation 8 above, (b) the relevant registration fee has been paid, and (c) registration as a Registered Organisation or Registered Venue will be granted. 19. An applicant organisation will provide such additional information as may be required by the LTA in connection with any application for registration or renewal of registration as a Registered Organisation or Registered Venue.
20. If a Registered Organisation or Registered Venue does not satisfy and/or fails to comply with and/or breaches these Venue Registration Regulations and, in particular any of the Safeguarding Standards, this may invalidate any insurance cover provided under any insurance policy effected by the LTA (or another member of the LTA Group).
