The Chief Executive's business update included in the Council papers was taken as read.

Scott Lloyd expanded on a number of items from his business update including: acknowledging the Russia and Belarusian player situation as a topic of significance; completion of the important technology migration from Siebel to Salesforce, noting that there is a list of outstanding technology challenges identified and resource has been given to resolve these priorities over the next three months; the launch of the merged charitable entity, LTA Tennis Foundation, and the significance of this milestone for the LTA; the 5 year plan and strategic cycle approaching the final year, with preparation underway for the next stages and identifying priority areas for the next plan. He also provided a brief overview on performance statistics and the values and behaviours update, thanking Councillors for their contribution to this piece of work.

A question around Nottingham Tennis Centre was raised, with Scott Lloyd confirming the LTA acquisition from Nottingham City Council of a 150-year lease with the focus now being on discussing programmes for the future and providing an enhanced competition calendar.

8. Applications for Deputy President

Pamela Woodman highlighted that three applications for the position of Deputy President had been received, namely from Roy Colabawalla, Nigel Jordan and Adrian Waite. She invited each applicant in turn (in alphabetical order by surname) to present their case for nomination to Councillors, which each of them duly did. Pamela Woodman noted that all three applicants would now automatically be referred to the Nomination Committee for consideration in accordance with clause 19.5 of the LTA Rules, without there being any requirement for the Council to vote. Thereafter, she confirmed that the Nomination Committee would then make a recommendation to the Board of the proposed candidate for appointment.

9. Workshop Session: County Funding Update

A presentation on the implementation of the new county funding model was shared with Council by Roy Colabawalla and Abbie Lench before the Councillors present were divided into smaller groups to discuss the proposed approach. It was noted that this workshop was to allow for further consultation of Councillors on the county funding model, including the reduction of subscription fees to zero, which model would be presented to the LTA Board in July 2022.

Feedback from each of the breakout groups provided unanimous support to progressing with the proposed approach. Specific comments and feedback was provided and included: further detail would be required around any application process and concern with regard to targets being set and what that would involve for volunteers.

The meeting was adjourned for a lunch break and then reconvened after lunch.

Wasim provided an overview on the recruitment process and reinforced the need to advertise roles where people might be looking; he also explained the importance of clearly defining the role to be filled in order to ensure that applicants have the right skills and experience.
