

### Location

The GB National Tennis Academy (GBNTA) offers a player lounge at the University of Stirling. It is situated in the corridor between the first tennis hall with courts 1-4 and the second hall courts 5 and 6 (temporary gym until summer 2020).

### Purpose:

The players' lounge provides a quiet space for GBNTA players to go to rest, relax and recover between sessions. The room is well-lit and provides a comfortable and safe environment for players.

### Safeguarding Measures:

The following safeguarding measures are required to protect the environment:

- The lounge is for GBNTA player use only;
- GBNTA staff should never use the room alone with only one player;
- GBNTA staff using the rooms would preferably do so in pairs or with groups of players rather than individual consultations;
- University players are strictly forbidden from using the Player Lounge. This is a safeguarding measure to protect both GBNTA players and University of Stirling students;
- Players should use the equipment responsibly and only use the kettle, blenders, toaster and microwaves after they have been shown how to use safely;
- The key code security lock on the door should not be given to anyone outside of the GBNTA;
- The key code will be changed periodically;
- The door and windows must be shut at the end of the day;
- In the event of a fire alarm players must report to the Fire Assembly Point.

### Conditions of Use:

The following conditions of use must be obeyed:

- Room users must be considerate of others, for example, respecting quiet time;
- Behaviour and conduct should be appropriate for a rest, relaxation, study and recovery room;
- Players must clean equipment once used, e.g. cutlery, crockery, blenders and microwaves;
- Any litter or waste should be placed in the appropriate bin provided;
- Equipment must be neatly stored away;
- The taps must be switched off after use;
- Players should leave the space neat and tidy and in a respectable condition after use.

### Misconduct:

Any breach of this code or misconduct will be referred to the disciplinary procedures outlined in the player agreement.
