

Wales National Training Camp - Selection Policy 2021/22

1. Introduction

The national training programme will provide world class training to motivate and inspire players and to develop them the Welsh way. This document outlines the criteria and process for players to achieve selection for training camps throughout the year. Should you have a query regarding the selection policy, please email chris.lewis@tenniswales.org.uk

Tennis Wales may amend this policy periodically. Any amended policy shall be published on the Tennis Wales website.

The national training programme will consist of up to four age groupings (U10, U12, U14 and 15+) with 8-12 places available at each camp depending on its nature. There is no obligation to fill every available place.
