## **LTA Seniors County Cup Event 2021**

### **Womens – Over 40, 50, 55, 60, 65, 70, 75**

### **Mens – Over 45, 50, 55, 60, 65, 70, 75**

### **Rules & Regulations for 2021 Event only**

#### **1. Format of the Competition**

The following revised format outlined within these Rules & Regulations and the associated Competition Pack is for the 2021 LTA Seniors County Cup Event only and the Event will revert back to its usual format in 2022.

Please remember, that the information in these Rules & Regulations and Competition Pack, is applicable as of 6 January 2021 and further restrictions and / or localised / national lockdowns imposed at the time of the match would obviously affect arrangements for the match. It is the responsibility of both team captains in their role as county representatives to check and ensure compliance with any Covid-19 restrictions and guidelines that are in place at the time of the relevant match.

Groups shall be arranged by The LTA Competitions Team into geographical 'clusters' in order to help reduce travel costs and try and avoid the necessity for overnight accommodation. Home teams are requested to consider the proposed location for each home match to keep travelling time reasonable for the away team.

For the 2021 Event, there will be no promotion, relegation or National Finals.

The arrangement of divisions will depend on the number of counties entering the relevant age group.

#### **2. Eligibility**

Senior age qualification rules permit players to take part if they reach the minimum age at any time during the year in which the competition is played.

A player, if selected, is eligible to represent his/her County only in accordance with LTA Rule 35.

If a player moves to reside in another county, then one complete year must elapse before he/she may play a match for the new County, if selected.

Team Captains are responsible for verifying their players are eligible before nominating them to play in any representative match.

We wish to encourage as many matches as possible to be completed and, to assist with this for 2021 only, we are not restricting the number of times a player may play down in any of the younger age categories. We would however request team captains to give priority to players who fall within the age category of their team. Therefore a player aged 62 can play in the over 60s and also for the over 55s team but only when the over 55s team captain has been unable to field a team of those aged 55-59.

#### **3. Match Format**

All matches to be played on outdoor courts between Thursday 1 April and Tuesday 30 November.

For all men's and ladies' age groups for 2021 only, Team Captains shall agree at the time of arranging the match to play either of the match formats below. The home captain shall confirm their joint decision in writing to the away team captain.

##### **Format 1: 2 Singles and 3 doubles:**

###### **Round 1**

Singles 1 v singles 1  
Singles 2 v singles 2  
1st doubles v 1st doubles

###### **Round 2**

1st doubles v 2nd doubles  
2nd doubles v 1st doubles

##### **Format 2: 4 doubles;**

###### **Round 1**

1<sup>st</sup> pair v 1<sup>st</sup> pair  
2<sup>nd</sup> pair v 2<sup>nd</sup> pair

###### **Round 2**

1<sup>st</sup> pair v 2<sup>nd</sup> pair  
2<sup>nd</sup> pair v 1<sup>st</sup> pair

In the event of any dispute the default format shall be:

Format 1: All men's age groups up to and including 65

All women's age groups up to and including 55

Format 2: Men's 70s and above  
Women's 60s and above

Each rubber shall be the best of three sets. The tie-break will apply at 6 games all in the first two sets. The 3<sup>rd</sup> set in all matches will consist of a Championship Tie Break (to 10 points with a 2 point clear advantage). In the case of bad weather, Fast4 scoring format should be used if possible to finish matches (see end of pack for rules).

Under no circumstances should rubbers be conceded. Each match will be decided on the number of rubbers won. However:

- (a) If rubbers are tied, the number of sets won will decide.
- (b) If sets are tied, the number of games won will decide.
- (c) If games are tied, the combined result of the first two rubbers will decide first rubbers, then sets, then games.
- (d) If a tie still prevails, then the result of the leading rubber, i.e. 1st pair v 1st pair, will decide.
- (e) If the first round of the match has been fully completed without concessions and inclement weather prevents the whole match from being completed, then a result can be obtained on the first round, first on rubbers, then sets, then games.
- (f) If a draw still results, then the match between the first pairs will decide.

Two points are allocated per rubber and per match win and this is reflected on the league table accordingly.

#### 4. **Composition of Teams**

A team comprises a minimum of 4 and a maximum of 5 eligible players with one substitution allowed in the second round.

All players, singles & doubles, must be LTA Members. Singles players must be nominated in LTA Rating order or (when available) World Tennis Number order.

Team nominations must be available to the opposing Team Captain before the start of round 1. Singles players with identical LTA ratings or World Tennis Numbers may be nominated in any order.

If a player retires for any reason at any stage, he/she may take no further part in the match.

#### 5. **Match Arrangements**

Matches to be arranged no later than **30 April 2021**. All matches to be completed no later than Tuesday 30 November 2021. The onus is on both captains to ensure arrangements are made promptly.

The home team shall offer three dates for the fixture. The three dates must include dates over at least 2 different weekends and must be 8 clear days apart. Dates should not be offered during National Championships and World Championships unless agreed by both teams.

The matches will be managed, and all necessary arrangements made, by the County Associations via their appointed Team Captain.

The home team will be responsible for providing a minimum of three new ITF approved tennis balls for each first round of rubbers, arranging the date and venue of the match and, in accordance with the latest guidelines on Covid-19 at the time, arranging hospitality if permissible.

Matches should be played using outdoor surface(s).

Teams must be prepared to play on any surface of acceptable standard and under floodlights as offered by the home team with the following exception; if the courts that are available are of more than one surface it will be the choice of the away team as to which surface should be used.

Unless agreed otherwise by both captains matches should not start before 12.00noon

Team Officials are not allowed on court during the matches and no advice by any person is permitted during play.

Both captains must complete and sign the scorecards, and retain their copy. The winning captain must then submit the result online within 48 hours and the losing captain is responsible for checking the entry.

Any query relating to results, nominations, player eligibility, etc. must be raised in writing to the LTA Competitions Team within 48 hours of the match or it will not be considered.

## **6. Conduct, and Completion, of Matches**

If players arrive more than 30 minutes late, then the first set of each rubber not started at the agreed starting time may be claimed.

If players are more than one hour late, then each rubber scheduled to start at the agreed starting time may be claimed.

Incomplete rubbers will be void, except in the case of illness or injury (details of which must be clearly recorded in the scorecard) when the retiring player shall lose the match but may record and games and sets won in that match prior to his/her retirement.

If a match is abandoned before completion of the first round, the match may be replayed at the reverse venue with a new date and time being agreed mutually as per Rule 5.

If sufficient prior notice has been given by the home venue that no play is possible so the away team does not need to travel to that match, then a new date and time shall be agreed mutually as per Rule 5 at the original venue.

If a County fields an incomplete team, one rubber will be deducted from that team's result.

## **7. Conceded Matches**

In the event of a match being conceded the defaulting county will receive no points. Any county conceding a match must inform The LTA Competitions Team.

## **8. Final Group Position**

The final order in each division in which all matches have been completed (or results have been reached in accordance with Rule 3) shall be determined by the number of matches won.

In a division where this applies but there are teams with an equal number of matches won and in a division where not all matches have been completed but the number of matches won by two or more teams is equal, the positions shall be determined by comparing:

- (a) Percentage of rubbers won to rubbers completed for each team. Should this still fail to determine the order, then
- (b) Result of the match between them or if more than two, then
- (c) Percentage of sets won to sets completed. If two teams are still tied, then
- (d) Match result, or if more than two, then
- (e) Percentage of games won to games completed. Should this still leave two teams tied, then
- (f) Result of the match between them

## **9. Disputes**

Any dispute arising between Counties shall immediately be referred to the LTA Competitions Team within 48 hours of the occurrence or it will not be considered.
