

The Championships 2018: British Tennis Member Rules

The following ballot rules must be adhered to by all British Tennis Members across any British Tennis Membership or Venue Ballot or ticket offer administered by the Lawn Tennis Association (LTA).

To participate in the 2018 British Tennis Member Wimbledon Ballot you must be a British Tennis Member and make yourself eligible by holding one of the following membership types.

British Tennis Lite or Team Membership (LTA registered venue members only)

A British Tennis Member is eligible for the British Tennis Membership Venue ballot of their LTA registered venue(s) if they meet the following criteria by 23 February 2018. A British Tennis Member must:

- Have an Adult or Junior active British Tennis Lite or Team Membership;
- Ensure that the relevant venue(s) is/are linked to their British Tennis Membership; and
- Be **Opted In** to the British Tennis Membership Venue Ballot, with the LTA.

Only the registered British Tennis Member, or their parent/legal guardian is permitted to opt themselves in to the Ballot.

If you are a member of more than one venue, once you have Opted In you **are** permitted to enter the ballot at each venue as you count towards each venue's allocation of tickets. You must ensure that your British Tennis Membership is linked to each venue of which you are a member. Once you Opt In, this will count for all venues linked to your membership. You may be successful and receive the opportunity to purchase a pair of tickets in each venue ballot.

Although you can enter more than one venue ballot, **you cannot** enter more than one British Tennis Membership ballot, for example, your venue ballot and the British Tennis Membership Ballot.

You must ensure that you are a current member at your venue(s) when you Opt In **and** at the date that the venue's ballot is held. If you are not a current member your venue will be able to remove the link from your record thereby making you ineligible for their ballot.

You can check your membership status and link your venue(s) to your record by [logging into your account](#) on the LTA website.

British Tennis Team Membership (Non LTA registered venue members)

If you are **NOT** a member of an LTA registered venue you will be included in the British Tennis Membership Ballot. This ballot is exclusive for British Tennis Team Members, whose membership is not linked to an LTA registered venue, providing that you meet the below criteria by 23 February 2018:

- You are an Adult or Junior active British Tennis Team Member; and
- You are **Opted In** to the British Tennis Membership Ballot, with the LTA.

You can check your membership status by [logging into your account](#) on the LTA website.

Rules:

1. Child British Tennis Members are not permitted to enter the ballot.
2. Anyone who holds Junior British Tennis Membership and meets the eligibility criteria set out above is eligible to be entered into a British Tennis Members Ballot. Any successful Junior British Tennis Member under the age of 16 must attend The Championships with an adult and be supervised appropriately.
3. A British Tennis Member whose membership is linked to an LTA registered venue may only be assigned one pair of tickets from each of their venues in the British Tennis Membership Venue ballot.
4. A British Tennis Member whose membership is not linked to an LTA registered venue may only be assigned a maximum of one pair of tickets through the British Tennis Members Wimbledon Ballot.
5. Once tickets have been purchased by a British Tennis Member they cannot be transferred. The tickets must be used by the British Tennis Member ballot winner and a guest (the guest does not need to be a British Tennis Member).

Please note that any individual who advertises, offers for sale or sells tickets (or who transfers tickets not in accordance with the AELTC's conditions of sale) may not be permitted to apply for or receive tickets from the AELTC or its authorised agents (including Ticketmaster) (for a period of 5 full Championships from the date of such breach)

6. In the event that a member has purchased tickets and does not wish to or is unable to use any tickets issued to them they **must notify and return the tickets as a pair, for a refund to the LTA**. Whilst the LTA will normally accept and refund the price of such tickets (provided that the tickets are returned to the LTA at least 24 hours before the date for which such tickets are valid), the LTA shall not be bound to do so.
