

League Planner – Importing your Clubs, Teams and Players

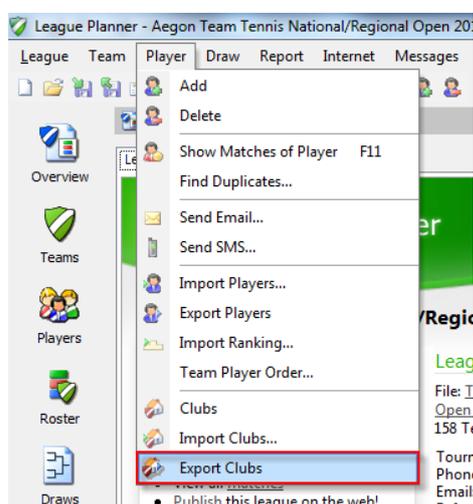

This document will guide you through the process of importing your clubs, teams and players using the import spreadsheets within this folder. The step by step guide is further supported by the [League Planner User Guide](#) (pages 16 – 24) and the [How to Import your Clubs, Teams and Players video](#) available online.

Importing Clubs

Using the Clubs Import spreadsheet provided to you by the Competition Support Team input the Club-ID and Club Name of your clubs who have entered your league.

If you have these clubs stored in a League Planner file from the previous year's league:

1. Open the previous year's League Planner file
2. Select **Players** → **Export Clubs**

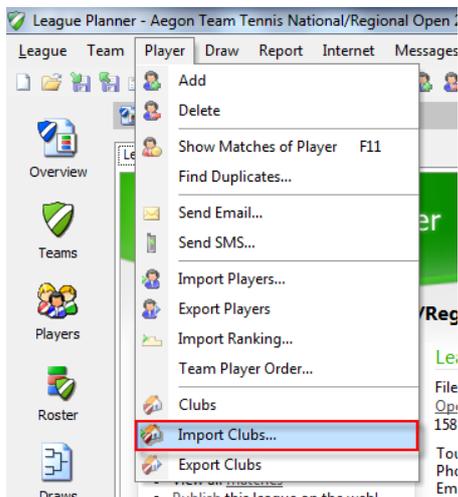

3. Save the file.
4. Next open the excel spreadsheet and copy and paste the values of Club-ID and Club Name columns across to the Clubs Import spreadsheet.
5. Add any new clubs to list.
6. Save the completed file.

Your completed Clubs Import spreadsheet should look like this:

	A	B	C
1	Club ID	Club	
2	SUR099	Putney Lawn Tennis Club	
3	LAN426	Bamford Tennis Club	
4	BED006	Dunstable Tennis Club	
5	SUR163	Sutton Tennis Academy	
6	DOR015	Southbourne Tennis Club	
7	WAR009	The Edgbaston Priory Club	
8	LIN040	Tennis Buddies	
9	H&W035	Manor Park	
10	SUS063	Southdown Sports Club	
11	SUR094	Pit Farm (Guildford) Lta	
12	STA047	Stourbridge Lawn Tennis & Squash Club	
13

15			

To import the spreadsheet:

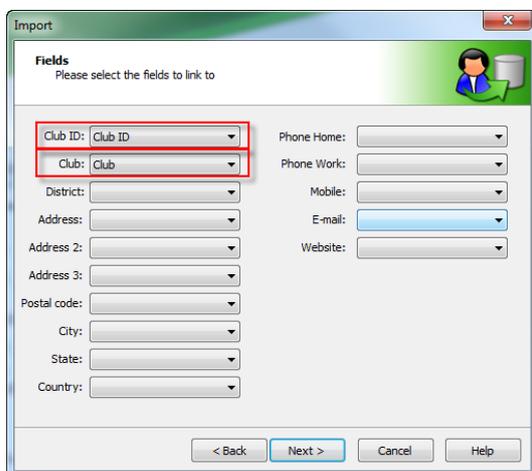

1. Open the current League Planner file
2. Select **Players** → **Import Clubs**

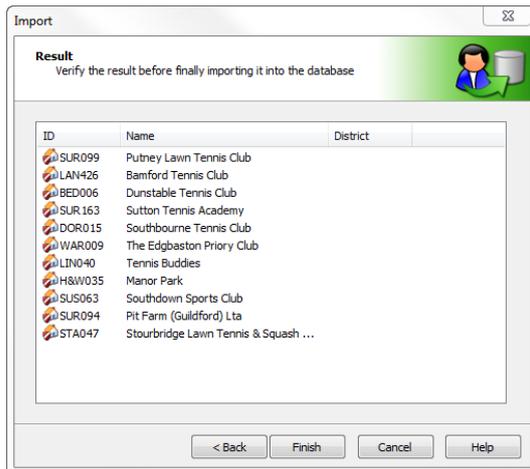

3. Select the location of the Excel spreadsheet. Click **Next**.

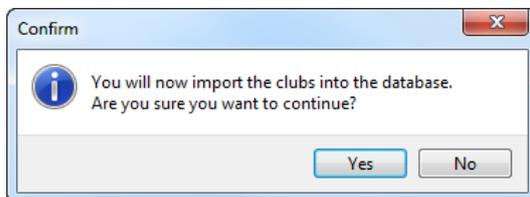

4. The fields should match automatically, if they don't please select the field from the drop down list. Click **Next**.

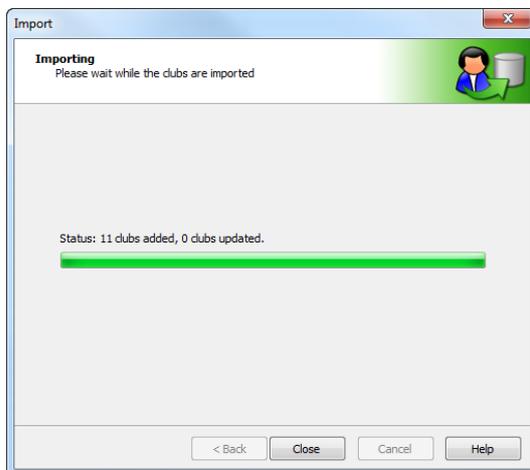

5. A list of all the clubs that are being imported will be shown. Click **Finish**.

6. League Planner will then ask you if you wish for the clubs to be imported. Click **Yes**.

7. League Planner will then tell you the clubs have been imported. Click **Close**.

Importing Teams

Using the Teams Import spreadsheet provided to you by the Competition Support Team input the Club-ID, Club Name, Team-ID, Team, Event, Contact, Postcalcode, PhoneHome and Email of your teams who have entered your league.

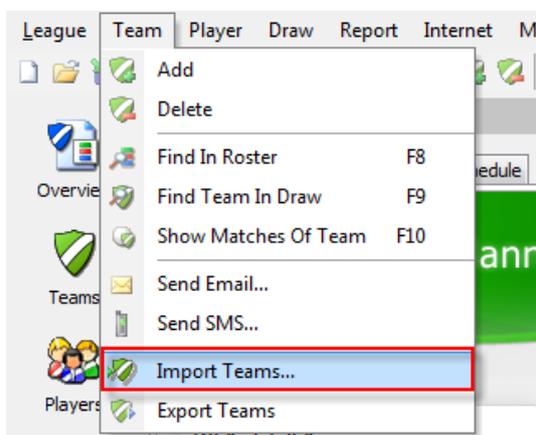

Please note the Club-ID, Club Name and Event must match the data previously entered.

Team-ID must be unique for each team entry e.g. SUR099B12, SUR099B14 etc.

	A	B	C	D	E	F	G	H	I
1	Club-ID	Club	Team-ID	Team	Event	Contact	Postalcode	PhoneHome	Email

Importing Players

Using the Players Template Example spreadsheet provided to you by the Competition Support Team input the MemberID, Name, Firstname, Gender, Club-ID, Club, Team-ID and Team of your players who you wish to import into the teams in your league.

Please note the Club-ID, Club Name, Team-ID and Team Name must match the data previously entered.

Please also note that you must enter the player details onto separate lines for each team you for him/her to appear in. An example of this can be seen on lines 2 and 7 where Oscar White is playing in Putney's 12U and 14U Boys Teams.
