

## Men's Wildcard Process

Please see below for information surrounding the allocation of Wildcards for ATP (Tour and Challenger) and Men's ITF (World Tennis Tour 15's and 25's+) events in Great Britain from 2019.

If you are entered into the event we assume that you will want to be considered for a WC unless we are told otherwise, therefore please note no formal request needs to be submitted in order to be considered.

Please only submit a request if there are any exceptional circumstances the team would not be aware of or you are not entered and wish to be considered, including the reason why you are not entered (please be aware generally players not entered will not be considered). Please direct all Wildcard communication to [Alastair.Lawrance@lta.org.uk](mailto:Alastair.Lawrance@lta.org.uk) and not to other members of the Men's team.

The Main Draw Wildcards will normally be confirmed at least the week prior to the event, players will be asked to confirm acceptance of the Wildcard via email to [Alastair.lawrance@lta.org.uk](mailto:Alastair.lawrance@lta.org.uk).

We will aim to confirm the majority of Qualifying Wildcards prior to sign in and again players will be asked to confirm their acceptance of the Wildcard, in some cases Qualifying Wildcards may be confirmed upon sign in closing. If awarded a Qualifying Wildcard we do expect and ask you to still sign in by the deadline, this is because if you move into the draw on merit then it would release the Wildcard for us to award to another player.

Please note the sign in methods for ITF World Tennis Tour events are:

\$15k – sign in onsite only (no telephone sign in accepted).

\$25k – sign in onsite or via the telephone to ITF supervisor.

Please note where there are back to back events the results from the first event could have an influence on the allocation of wildcards for the second event therefore in some instances there may be a delay in confirming these.

All Wildcard selections will be made in line with the published policy which can be viewed here:

<https://www.lta.org.uk/globalassets/play/professional-development/documents/lta-wildcard-policy.pdf>

By accepting a Wildcard you agree to adhere to the LTA Code of Conduct which can be viewed in full here:

<https://www.lta.org.uk/globalassets/play/professional-development/documents/code-of-conduct.pdf>
