

DON'T MISS OUT ON FREE FUNDING

for your club

The LTA is proud to announce the launch of our partnership with **easyfundraising** to support LTA Registered Venues in accessing new funding opportunities.

easyfundraising is the UK's leading shopping fundraising website that hundreds of tennis clubs are already using to help generate additional funding to invest in the running and operation of their club.

YOUR CLUB CAN RAISE FREE CASHBACK DONATIONS

Ask your members, coaches, volunteers and friends of the club to use easyfundraising to shop online with 4,000 leading sites, including Amazon, John Lewis, Booking.com, Currys and Just Eat. Every time they make a purchase your tennis club will receive a donation, sent directly from the retailer they bought with.

easyfundraising is completely free to register with and use. This means everyone connected to your tennis club can help raise funds, with business or personal shopping - without it costing them anything extra to do so.

To help you spread the word amongst your club, use the **free fundraising toolkit**.
