WHAT IS THE LTA NATIONAL LEAGUE?

LTA National League is primarily a singles-based team competition for all LTA registered venues (clubs, parks and universities). It aims to provide players of all ages and abilities with regular league matches against players of a similar standard in a competitive team environment—an excellent way for venues to attract and retain players. There are different tiers across the competition that culminate in a National Finals.

HOW TO ENTER

Enter online or find out more at lta.org.uk/compete/adult/national-league (adults and seniors) or lta.org.uk/compete/junior/national-league (juniors). Please speak to the main contact at your club or your league organiser to find out more.
