

From **1 January 2026**, everyone delivering Play Your Way to Wimbledon will need to have either an LTA Official Licence or LTA Coach Accreditation, demonstrating your commitment to ensuring a safe and inclusive competition environment. A short online course is now available to help you become Licensed; this qualifies you as a Competition Organiser.

The Officials Licence Scheme costs £15 per year which gives you access to the Official Hub and provides some fantastic benefits and resources.

Please note, if you are an LTA Accredited Coach or LTA Official, you **do not** need to complete the course.

**How to obtain your licence:**

1. Complete the short [Competition Organiser Conversion Course](#)
2. Get [a criminal records check](#)
3. Join the Official Licence Scheme by heading to your dedicated [Official Hub](#). You'll only have access to the Official Hub after completing the conversion course.

Thank you for your support in ensuring our tournaments are as safe as possible for all who participate.
