

FARM WARM UP:

Farm Animal Parade

Set the scene:

“We are farmers today! Walk carefully through the farm and take care of the animals.”

Brain focus
activities:

Equipment:

Cones

How to Play:

- Place cones around the area to mark out the farm.
- Children move around the space and when an animal is called, they perform the action. Start with just three actions and build up if the children are ready.
 - **Chickens** – fast feet (on toes).
 - **Cows** – march (lift knees and stomp).
 - **Horses** – gallop (knees bent, balance).
 - **Pig** – bridge or table (core).
 - **Scarecrow** – stand in star position (core).

TEACHING POINTS:

- Make the actions big and overacted.
- Eyes looking where going.
- Keep body upright.
- Maintain balance.

SKILL UP:

- Add a ball, which children hold at tummy height while moving around the space.
- Children move faster and keep changing direction.
