## LTA COMPETITION MANAGEMENT SYSTEM

Organisers will be expected to publish their successful tournament application, at the relevant time as communicated by the Competitions Team, for the sanction to be honoured.

Please ensure you check the following **before** a tournament opens for online entries on the LTA Competition Management System:

1. The fact sheet is accurate and ensure that timings and maximum draw sizes have been provided.
2. Add in entry fees and specific event dates.
3. Your Stripe account is connected to the tournament. Please ensure that you have set up your Stripe account by following the guidance [here](#).
4. The referee has been confirmed for the event and is listed as 'Referee', if they are managing the pre-tournament admin then they should be marked as the Tournament Organiser and Tournament Referee, if they are solely the referee they should be marked as the Tournament Referee.

## CHANGE OF VENUE / DATES

Tournaments **should not be moved** to a different venue or date after they have been sanctioned by the LTA. If a change of venue or date is required due to unforeseen circumstances, then please contact the LTA Customer Support Team by submitting an [Enquiry Form](#).

If venue or date changes are not requested beforehand, and approved by the LTA Competitions Team, this could result in the competition being cancelled, future sanctioned competitions being cancelled and applications for subsequent competition planning periods being unsuccessful.

## COURT BOOKINGS

In line with the sanctioning requirements for each grade, competitions are expected to use a venue which has the minimum number of courts required to host the tournament and additional courts dependent on the number of events being run.

Grade	Ideal Number of Courts	Minimum Number of Courts
Grade 1	6+	3
Grade 2	4+	3
Grade 3	3+	3
Grade 4	2+	2
Grade 5	2+	2

## PROMOTING YOUR TOURNAMENT

Promote your LTA Padel competition, with the use of the LTA Padel logo, using the following channels to ensure you have a good entry (please note that this is not an exhaustive list):

- Display posters at your venue/other local venues
- Produce flyers to hand out to players
- Encourage coaches at the venue to promote the event to players
- Promote on your social media channels
- Contact players on your mailing list

The LTA has created a logo for LTA Padel Competitions to support Tournament Organisers in promoting their events. There is a different logo for each grade. Competitions have the exclusive rights to use this logo for the competition that has been sanctioned.

Download the logos [here](#).

To help maintain a clear and consistent use of these logos please ensure you follow these simple guidelines:

- The minimum height of the logo must be 10mm (A5), 15mm (A4), 20mm (A3).
- There must be clear space around the logo. This must be at least 50% of the height of the logo.
- Logo Placement Guidance: logo to be placed on a plain background, ensuring there is no overlap with other elements. As organisers may use different branding and layouts, some flexibility may be required. However, as a general rule, the preferred placement is bottom right.

## LTA SPONSORSHIP, MARKETING & STREAMING

Competition is a focal point of all sports and as such provides an opportunity to introduce new venues, players and fans to padel. Through partnerships and streaming services, we hope to introduce padel to new audiences in order to make it more accessible, welcoming, enjoyable and inspiring for anyone who has an interest.

In line with the LTA Competition Regulations, tournaments have the opportunity to exploit local rights, whilst working with national sponsors.

By hosting an LTA Padel tournament, you are agreeing for the LTA to display, as they wish, any sponsorship or marketing collateral (including but not exclusive to banners, net decoration and posters). The LTA may also wish to deliver marketing stands or 'user-experience' areas as part of the competition.

## **BALLS - GRADE 1 AND 2 ONLY**

The LTA provide the LTA “official” Padel Balls for Grade 1 and 2 events. These balls will be sent directly to the tournament venues, aiming to arrive 2-3 weeks prior to the tournament start date.

All Grade 1 and 2 competitions must use Dunlop Padel balls. For tournaments hosting 3-6 events, an additional box will be provided. For tournaments hosting 7+ events, 2 additional boxes will be provided.

If you require more than the designation contribution of boxes provided, it is the venue/ tournament organisers responsibility to order additional balls of the same brand accordingly.

For tournaments that require more balls, these will need to be ordered and paid at the tournament expense. Balls can be ordered from [Pro-Direct Sports](#)

Pro-Direct provides LTA Licensed Officials with exclusive offers and discounts throughout the year. To view these offers, please login to your Official Hub via the LTA website and view the details within the 'benefits' section.

## **PRIZE MONEY - GRADE 1 ONLY**

The LTA will provide a contribution towards prize money to each Grade 1 host venue. A minimum prize money pot of £4,000 must be offered.

NB – It is also recommended that venues offer prize money at Grade 2 competitions, to help attract a wider player base. This is at the discretion of the host venue.

In order to receive your prize money, please complete the [Prize Money Claim Form](#) and return to: [finance.system@lta.org.uk](mailto:finance.system@lta.org.uk). Claim forms can be submitted up to 6 weeks prior to the competition and no later than 2 weeks after.

Please be aware it may take up to 4 weeks to receive your prize money from return of the form.

## **DURING THE ENTRY PERIOD**

If at any point, a referee/organiser accepts a manual entry from the player (who is having difficulties entering the competition online via the LTA website), they should add this entry to the LTA Competition Management System. Entry fees must also be processed through the LTA Competition Management System. If a player is contravening any entry rules this will highlighted and should be acted upon. Further information on the use of TTP is available online - [Tournament Planner](#)

As soon as possible after the closing date (preferably same or next day) follow the steps below.

1. Create the TTP file
2. Download Entries from CMS
3. Validate players
4. Import Player Padel Ranking

**Note:** A *step-by-step guide to the above actions can be found using the [TTP User Manual](#)*

If you have too few entries to run the event, please contact the LTA Customer Support Team by submitting an [Enquiry Form](#) for support prior to the deadline. Please ensure you include your tournament code and start date in your email. No closing deadlines will be extended for competitions in 2026, save in exceptional circumstances. Organisers are reminded to keep an eye on entries in the run up to the entry deadlines and promote accordingly. Please remember that late entries can only be accepted in accordance with the LTA Competition Regulations 3.18.

Closing and withdrawal deadlines, as outlined in the tournament application process must be adhered to and cannot be amended.

Competition entry fees are at the discretion of the Tournament Organiser; we recommend that this is between £15 - £25 per player.

## VENUE / EQUIPMENT CHECKS

We suggest that the following is done at least one week before the tournament:

- Check the court booking
- Ensure that you have padel balls for the event
- Ensure you have the Trophy/Medals for the winner and runner-up of each event

## ACCEPTANCES

After the closing deadline has passed you will be able to import your entries for your tournament. All entered players will appear on the 'Main Draw' tab within the 'Roster' on TTP.

Tournament Grade	Minimum Draw Size
Grade 1	16
Grade 2	16
Grade 3	16
Grade 4	8
Grade 5	8

Acceptance and Seeding for Grade 1 and 2 competitions is based on the combined FIP Ranking position of each pair, followed by the combined LTA Padel Ranking position of each pair. Players with 0 FIP points will not be considered for selection above LTA Padel Ranking. Doubles acceptance and seeding will be based on the following priority order:

PRIORITY	PLAYER 1	PLAYER 2
A	FIP Ranking	FIP Ranking
B	FIP Ranking	LTA Ranking
C	LTA Ranking	LTA Ranking
D	FIP Ranking	Unranked
E	LTA Ranking	Unranked
F	Unranked	Unranked

FIP Rankings can be found on the following live links:

- [Official Male FIP Rankings](#)
- [Official Female FIP Rankings](#)

Acceptance and Seeding for Grades 3 and 4 competitions will be based on LTA Padel Rankings only, using the combined ranking of each pair.

Acceptance for Grade 5 competitions will be based on 'first come, first served'. Seeding for Grade 5 competitions will be based on LTA Padel Rankings. Players accepted basis will be accepted in date and time order until the draw is full. Any players not accepted will be placed on the reserve list, in the order that they entered the event. If a player withdraws from an event the player at the top of the reserve list will be selected to replace them.

Organisers are permitted to hold qualifying draws within their tournament should they be able to factor this into the dates the competition has been sanctioned for. Organisers should consider the level of the players entering and not expect to take every player into their event to maintain the integrity of the ranking system.

## WILD CARDS

A maximum of 1 wild card for every 8 places in the draw size.

Wild cards for Grade 1 tournaments are made in conjunction with the LTA and must be agreed and communicated with the LTA. Generally, wild cards should be reserved for up to two FIP ranked pairs, and ideally British players to promote homegrown talent.

Applications must be communicated to the **LTA at the entry deadline**. Any players wishing to request a wild card must contact the Tournament Organiser directly, and the Organisers decision is final.

**Note:** Two players with a FIP ranking inside the top 200 cannot compete together. From 1 July 2025 this regulation no longer applies.

Any remaining wildcards are awarded at the discretion of the Tournament Organiser.

## LATE ENTRIES

If at the time a player requests to be a late entry he/she would be seeded that player cannot be accepted. If, however, the player would **not** be a seed his/her entry can be accepted and placed as follows:

- a) if the draw is not full the player can be accepted directly into the draw
- b) if there is a reserve list this player will be placed at the bottom and will be accepted into the draw when the player reaches the top of the reserve list, and a space becomes available – **regardless of whether this player would now be a seed.**

Late entries can be manually added to the LTA Competition Management System and imported into TTP if there are spaces in the draw or on the reserve list after the tournament closing deadline. These entries must be validated and synced so that the entrant list on the LTA website is up to date.

Ensure that you keep a record in player notes of the date and time that late entry is added. This way, if you receive more than 1 late entry on the same day, you know in which order the late entries should be accepted.

The only exception to this regulation is if, for justifiable reasons, you wish to offer a wild card to a player who requests a late entry and would be a seed. If a wild card is awarded this player can then be accepted, however wild cards must be awarded in accordance with the LTA Competition Regulations – 3.20 (a maximum of 1 wild card for every 8 places in the draw).

Please do not feel pressurised into giving wild cards to players who request a late entry.

## WITHDRAWALS

Monitor withdrawals and update TTP file by downloading the entries and re-publish when players have moved position (preferably on daily basis) so that players can monitor their movement on the reserve list.

If you withdraw a player manually you should move them to the 'Exclude' list and record full detail of the withdrawal in TTP. You will also need to issue a refund. No withdrawal points are given to players who withdraw before the published withdrawal deadline. When a person withdraws, you will need to replace the withdrawn player.

Every time you move a reserve make sure you update the other reserve numbers and remove the reserve number from a player who is no longer on the reserve list (either withdrawn or accepted) and re-publish.

Remember that if a reserve withdraws, go to the 'Exclude' list and remove the reserve number from that player otherwise the number will still show on the website entrant list.

All players withdrawing after the withdrawal deadline may be penalised by late withdrawal points.

## DRAWS

- Draws should be made as soon as possible after the withdrawal deadline
- Ensure you have updated the Tournament Properties to include the match times, courts and scoring format
- Add the Draw in TTP based on the minimum recommended draw formats (see below) and the number of players.
- Re-validate your players so that the seeding can be made with the most recent LTA Padel rankings (this re-validation is only for the purpose of seeding, it does not affect the order of the reserves or acceptances).
- **Seed players as appropriate (based on acceptance principles)**, if you have a 16-player main draw you will need 4 seeds, if you have an 8 player draw you will only need 2 seeds.
- You will then need to Make Draw in TTP

**Note:** If there are fewer than 3 pairs the tournament will not count for ranking points.

- a) Where the player has played 20 games or fewer; a rest period of 30 minutes
- b) Where the player has played more than 20 games; a rest period of 60 minutes

## STAR POINT RULE

From 1 January 2026, FIP have introduced a new Star Point scoring system in the Rules of Padel. We are implementing the star point at all FIP (albeit outside of the scope of this organiser manual) and LTA Padel British Padel (Grades 1 and 2) competitions, and it is optional for LTA Licensed Officials to apply at LTA sanctioned Grade 3-5 competitions.

The FIP Star Point rule is:

*When a pair wins its first point, “15” will be called on the second point won “30”. At the third point “40” and the fourth “game”. Except, if each pair have won three points, at which time “deuce 1” will be called. The following point won “advantage 1” is called in favor of the pairs who won the point: then, if the same pair wins the next point they win the game, if the point is lost the score will return to “deuce 2”. The following point won “advantage 2” is called in favor of the pairs who won the point: then, if the same pair wins the next point they win the game, if the point is lost the score will return to “deuce 3” and a deciding point called the “Star Point” (and/or the word mark of the relevant FIP’s name sponsor) will be played. The receiving pair will choose whether to receive the service on the right or the left side of the court. The players of the receiving pair cannot change positions to receive the deciding point. The pair that wins the “Star Point” wins the game. 2. In mixed matches, in the deciding point the player receiving will be the same sex as the server. The players of the receiving pair cannot change positions to receive serve.*

*In mixed matches, in the deciding point the player receiving will be the same sex as the server. The players of the receiving pair cannot change positions to receive serve.*

## RULES OF PADEL

The FIP rules of padel including the Star Point can be found here : [FIP Rules-of-Padel-1.pdf](#)

## FAST4 SCORING

FAST4 scoring provides a simple, exciting way of speeding up a conventional match. The fundamentals of tennis remain the same, but there are innovative rules that ensure matches are fast, competitive, exciting and can be completed in a reasonable period of time.

The FAST4 scoring format is played as follows;

- **First to 4 games wins** – Hence the name FAST4. It doesn’t matter how you get there, just make sure you get to four before your opponent does.
- **Tie-break at 3 games all** – at 3 games all a tiebreak is played, first to 7 points, 2 clear at 6-6.
- **Match tie-break** – if the score reaches 1-set all a match tiebreak will be played – first to 10 points, 2 clear at 9-9
- **No-ad scoring** – as soon as a game gets to deuce it’s a sudden death point. The receiver chooses which side will take the serve. This applies to doubles too with the receiving pair deciding who returns the point.
- **Normal service let rule** – if the serve clips the net and lands in the service box, then a let is played.

It is permissible for players to play 4 FAST4 matches in one day.

## SCHEDULE MATCHES

- Once you have made the draw you will need to schedule the matches, we suggest you print the draws to keep for reference
- Publish the draws after 4pm on the same day, to show all scheduled matches
- Publish and check that draws are shown on the website.
- Ensure you have published before sending first match time emails
- Prepare players' first match time email
- Pick up your first match time confirmation messages. Please contact those who still have 'Waiting for Confirmation' by their names to make sure they know this essential information

## DURING THE TOURNAMENT

- Display the LTA Tournament Notices (including Code of Conduct and Player Notices) at your venue – you can download them from the [Organisers and Officials](#) area
- Brief all the players before the start on all relevant items, such as the scoring format, number of matches, expectation of fair play.
- Be visible
- Log all results, code violations, withdrawals etc. in TTP
- Publish results throughout the day or once all matches for that day have been completed

The LTA is keen to promote positive images of individuals playing padel and is not preventing the use of photographic or videoing equipment. However, please be aware that some people may use sporting events as an opportunity to take inappropriate photographs or film footage. ## USEFUL INFORMATION

### LTA PADEL RANKING LIST

An **LTA Padel Ranking** is a measure of where a player stands nationwide and represents an overall order of merit with players positioned according to ranking points acquired in graded padel events held in Great Britain.

There are ranking listings for each tournament circuit in both men's and women's. Rankings are calculated once per week, based on points awarded to players for competing in graded events.

In order to get a ranking a player must be an **LTA Advantage Member** and have competed in an LTA sanctioned tournament (graded 1-5).

Rankings are used to help determine:

- Direct entry into a main draw (for domestic tournaments only)
- Seeding (for domestic tournaments only); seeding is standard practice to ensure that top players are split in the draw and don't play each other in the early rounds.
- Entry & Seeding for FIP tournaments (following the FIP Ranking)

### LTA PADEL RANKING POINTS

Ranking points are awarded for all LTA Padel Tour tournaments.

Each grade and type of tournament awards different point allocations.

Only one set of points is allocated per event i.e. a player who competes in both the qualifying and main draw events of a tournament will only get one set of points.

A ranking is made up of the best 6 results within the previous 52 weeks.

A player may appear on more than one ranking list, if he/she has competed in multiple circuits i.e. Seniors.

The following ranking lists will operate for the LTA Padel Tour:

- LTA Padel Rankings - viewed [here](#).
- LTA Padel Senior Rankings - viewed [here](#).

The points allocated to each tournament follow the LTA Padel rankings points distribution for Open competition (found [here](#)) and Seniors competition (found [here](#))

**Note:** For the purposes of Ranking Points all GB Seniors Tour events are Grade 2 seniors tournaments.
